ASSIGNMENT

WHEREAS, I, **FRANK E. CAHILL**, of 9808 Rosehill Road, Apartment 1, Lenexa, Kansas 66215; have invented certain new and useful improvements in

METHOD AND APPARATUS FOR ADJUSTING THE PITCH OF A FAN BLADE

for which I am about to make application for Letters Patent of the United States; and

WHEREAS, **Emerson Electric Co.**, a corporation duly organized under the laws of the State of Missouri and having its principal place of business at 8000 West Florissant, St. Louis, Missouri 63136, is desirous of acquiring an interest in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, **FRANK E. CAHILL**, as inventor, has sold, assigned and transferred, and by these presents do sell, assign and transfer unto said **Emerson Electric Co.** the full and exclusive right, title and interest, throughout the world, in, to and under the following:

(a) said invention as fully set forth and described in the application executed by me as inventor preparatory to obtaining Letters Patent of the United States therefor and identified under attorney Docket. No. **30916**;

(b) said application;

(c) any and all refilings, divisions, and continuations of said application;

(d) any and all Letters Patent of the United States of America which may issue

from said application, refilings, divisions and continuations;

(e) any and all reissues of said Letters Patent of the United States of America;

(f) any and all applications for Letters Patent upon said invention which have

heretofore been filed or may hereafter be filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;

(g) any and all refilings, divisions and continuations of said foreign-filed

applications;

(h) any and all Letters Patent of countries foreign to the United States of America

which may issue from the said foreign-filed applications, refilings, divisions and continuations; and

(i) any and all extensions of, and additions to, said Letters Patent of countries

foreign to the United States of America.

ALL of the above shall be held and enjoyed by said **Emerson Electric Co.** for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.
