ASSIGNMENT

WHEREAS, **Robert T. Stone**, a resident of the State of California, hereinafter referred to as ASSIGNOR, has invented a new and unobvious invention entitled

ACOUSTIC COUPLING DEVICE

for which he has made application for Letters Patent of the United States, such invention being described in and identified in said application having a filing date of February 13, 2001, and a Serial Number of 09/782,550, and

WHEREAS, **Kinderlife Instruments, Inc.**, a California corporation having a place of business at Mountain View, California, hereinafter referred to as ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to said application and said invention, in and to any and all improvements relating to said invention, and in and to Letters Patent thereon, when granted in the United States and all foreign countries; and

WHEREAS, ASSIGNOR acknowledges that pursuant to his contractual obligations, and/or the terms of this instrument, he is under a continuing obligation to assign all right, title and interest in, to and under the invention which is the subject of their application for Letters Patent and any improvements thereof and all divisions, and continuations thereof, to ASSIGNEE, its successors, legal representatives and assigns in accordance with this instrument;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration received by ASSIGNOR from ASSIGNEE, the receipt of which is hereby acknowledged by ASSIGNOR:

1. ASSIGNOR hereby sells, assigns, transfers and conveys unto ASSIGNEE, the entire right, title and interest in and to said application and said invention and improvements; including all priority rights under the International Convention associated with the filing of said application, for each country of the Union; and in and to any and all Letters Patent on said invention and improvements that may be granted by the United States or any foreign countries, including each and every Letters Patent granted on any application which is a division, substitution, continuation or continuation-in-part of any application

relating to said invention or improvements, and in and to each and every reissue or extension of said Letters Patent.

2. ASSIGNOR hereby warrants, covenants and represents the fact to be that he has not heretofore granted any license, right or privilege in respect to the said application or said invention or improvements, or in any other way encumbered the same, and that he has the full right to convey, free of all licenses and encumbrances, the entire interest hereby assigned.

3. ASSIGNOR covenants and agrees that at the request and expense of ASSIGNEE he will promptly execute all papers necessary or desirable to perfect ownership of said invention, improvements, applications or said Letters Patent in ASSIGNEE, and execute all oaths and other papers necessary or desirable for prosecuting said application, for use in interference proceedings involving said invention or improvements, for refiling said applications, for filing of said divisional, substitution, continuation or continuation-in-part applications covering said invention or improvements which are deemed necessary or desirable by ASSIGNEE, for reissuance of said Letters Patent, or for the filing of foreign countries of applications for Letters Patent conferring said invention or improvements.

4. ASSIGNOR further covenants and agrees that at the expense and request of ASSIGNEE he will promptly assist ASSIGNEE in interference proceedings involving said invention or improvements, and in litigation involving said Letter Patent, and will assist in the ascertainment of facts and the production of evidence relating to said invention or improvements.

5. The terms, covenants and provisions of this assignment shall inure to the benefit of ASSIGNEE, its successors, assigns and other, legal representatives, and shall be binding upon ASSIGNOR, his heirs, legal representatives and assigns.

6. ASSIGNOR hereby authorizes and requests the COMMISSIONER OF PATENTS AND TRADEMARKS to issue the United States Letters Patent on their invention, when granted, unto

KINDERLIFE INSTRUMENTS, INC.

its successors, assigns and other legal representatives in accordance with this agreement.
