ASSIGNMENT OF PATENT APPLICATION

I, Keith Stormo, in consideration of good and valuable consideration paid to me, agree to assign, and hereby do assign, transfer and set over to Innovative BioSystems, Inc., a corporation of the state of Idaho, whose address is 121 Sweet Avenue, Moscow, Idaho 83843-2386 (hereinafter designated as the Assignee), the entire right, title and interest in and to the invention known as MICROBIAL REMEDIATION REACTOR AND PROCESS, for which the undersigned has executed an application for patent in the United States of America on November 12, 1996, and which application has been filed in the United States Patent and Trademark Office on September 3, 1996, and given Serial No. 08/708,118.

1) I agree to execute all papers necessary or convenient in connection with each application to protect the invention, and any continuation, continuation-in-part, or divisional applications thereof, and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

2) I agree to execute all papers necessary or convenient in connection with any interference which may be declared concerning any application relating to the invention, or any continuation, continuation-in-part, or division thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with any such interference.

3) I agree to execute all papers and documents and perform any act which may be necessary or convenient in connection with claims or provisions of foreign patent offices, including those operating under the International Convention for Protection of Industrial Property or similar treaties or agreements.

4) I agree to perform all affirmative acts which may be necessary or convenient to obtain grants of valid patents to the Assignee relating to the invention.

5) I hereby authorize and request the Commissioner of Patents and Trademarks, and all equivalent foreign patent office officials, to issue any and all Letters Patents resulting from said applications or any continuation, continuation-in-part, or divisional applications thereof, to the said Assignee, as Assignee of the entire interest, and hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

6) I hereby grant the Assignee and its duly authorized representatives the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, and any equivalent foreign patent office, for recordation of this document.
