MESNE ASSIGNMENT

WHEREAS, DOHRMANN INDUSTRIES, INC., a Nevada corporation, whose postal mailing address is 5931 Sea Lion Place, Suite 114, Carlsbad, California 92008, (hereinafter "Assignor") possesses ownership in an invention entitled FIVE SIDED PYRAMID ALARM UNIT for which an application for United States Design Patent was filed on October 13, 2000, and given U.S. Patent Application Serial No. 29/131,029; and

WHEREAS, LASER SHIELD SYSTEMS, INC., a Nevada corporation, organized and existing under the laws of the State of Nevada, having a business address of 5931 Sea Lion Place, Suite 114, Carlsbad, California 92008, (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration paid to Assignor by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, the said Assignor, hereby grants and assigns unto the said Assignee, its entire right, title, and interest in said invention and in all patent applications based thereon, including but not limited to the above identified United States Design Application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Design Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries, the right, power, and authority to file and prosecute U.S. and foreign patent applications

on said invention in its own name, wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.

DOHRMANN INDUSTRIES, INC. hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries, as are duly authorized by their patent laws to issue patents, to issue any and all Design Patents on said invention to the said Assignee as the owner of DOHRMANN INDUSTRIES, INC.'S entire interest, for the sole use and behoof of the said Assignee, its successors, assigns, and legal representatives, to the full end of the term for which said Design Patent may be granted, as fully and entirely as the same would have been held by DOHRMANN INDUSTRIES, INC. had this assignment and transfer not been made.

DOHRMANN INDUSTRIES, INC. hereby agrees, without further consideration and without expense to it, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of it to make this Assignment fully effective, including, by way of example but not of limitation, the following: prompt execution of all original, divisional, substitution, reissue, and other United States and foreign patent applications on said invention, and all lawful documents as requested by the Assignee to further the prosecution of any of such patent applications; cooperation to the best of its ability including, but not limited to, the execution of all lawful documents, the production of evidence in any actions or proceedings concerning the invention, including, but not

limited to, nullification, reissuing, extension, and infringement proceedings involving said invention.

Executed this 19th day of April, 2001 at Salt Lake City, Utah.
