ASSIGNMENT

WHEREAS, I,

Jean François Mermillod, residing at 520 d. des TREMBLES F7450 ST MARTIN, BELEVUE
have invented certain new and useful improvements in:

Title: SCISSORS, U.S. Patent No. D395,991

for which was filed an application for Letters Patent of the United States;

AND WHEREAS, Manufacture d'Articles de Precision et de Dessin, a corporation organized and existing under the laws of France, having a place of business at Route de Pringy, Argonay, 74370 Pringy, France, is desirous of acquiring an interest in the United States and all foreign countries, in and to the said invention and the Letters Patent;

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for and in consideration of one (\$1.00) dollar to me in hand paid, and other good and valuable considerations, the receipt of all of which is hereby acknowledged, I, the said inventor, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Manufacture d'Articles de Precision et de Dessin, the entire right, title and interest in and to said invention in the United States and in all foreign countries, including priority rights, as fully set forth and described in said application; and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent on said application and any and all Letters Patent that may be issued upon any and all revivals, refilings, continuations, continuation-in-part, divisions and reissues thereof to the said Manufacture d'Articles de Precision et de Dessin, as assignee of the entire right, title and interest in and to the same, for the sole use and behoof of Manufacture d'Articles de Precision et de Dessin, its successors and assigns; and I will execute all papers necessary in connection with the United States applications and foreign applications when called upon to do so by the said Manufacture d'Articles de Precision et de Dessin, its successors or assigns, and that I will, at the cost and expense of the said Manufacture d'Articles de Precision et de Dessin, fully assist and cooperate in all matters in connection with the United States and foreign applications and patents issuing thereon.

The undersigned declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so

made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
