sell, assign and transfer to the Assignee the entire right, title and interest :

i. in and to my invention relating to a :

Reversible Driven Pulley

(« the invention »)

which is described in the international patent application No. PCT/CA99/00337
filed 16 April 1999;

- ii. in and to any Letters Patent to be obtained in Canada, the United States and in any other foreign countries concerning the invention; and
- iii. in and to all divisional, continuing, substitute, renewal, reissue and all other applications which have been made or may be subsequently filed in Canada, in the United States and in any other foreign countries, as well as all Letters Patent to be obtained therefrom concerning the invention.

I hereby declare and confirm that I will, without charge but at the expense of the Assignee, its successors, assigns or nominees :

- i. promptly execute any document, including forms, declarations, oaths, powers of attorney, affidavits, confirmation assignments, assignments of the rights under the provision of any convention or treaty, and any other documents that will be sent to me by the Assignee, its successors, assigns or nominees,
- ii. do all things which the Assignee, its successors, assigns or nominees shall consider necessary or desirable for securing, maintaining and enforcing the rights over what is hereby being sold, assigned and transferred, including testifying in all Legal proceedings; and
- iii. communicate, upon request from the Assignee, its successors, assigns or nominees, all facts known by me relating to the invention and the history thereof,

those commitments also binding my heirs, assigns, representatives and successors, if any.

I also declare and confirm that :

- i. I am the only and true inventor of the invention;
- ii. I have not copied or used information that may be subject to a Trade secret owned or under the control of a third party; and
- iii. no assignment, grant, mortgage, license or other verbal, written or implicit agreement affecting the rights and property herein conveyed has been or will be made to a third party by me, the full right to convey the same as herein expressed being possessed by me.

I hereby authorize and request that any Canadian Letters Patent, any United States Letters Patent and any Letters Patent of any foreign country concerning the invention to be issued to the Assignee.

IN TESTIMONY THEREOF, I has hereunto set my hand on the date indicated below.
