ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) cash in hand paid to me by Halliburton Energy Services, Inc., and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Andrew Penno ("ASSIGNOR"), having jointly made an invention in "Interface Monitoring Placement System" together with Mr. Michael Evans, while in the employ either as an employee or consultant of Halliburton Energy Services, Inc., a corporation organized and existing under the laws of the State of Delaware, doing business at Houston, Texas (sometimes hereinafter called "ASSIGNEE"), do hereby ASSIGN, SELL and CONVEY to said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to:

1. The method and apparatus inventions for the Interface Monitoring Placement System;
2. United States of America provisional patent application no. 60/190,236, Attorney's File No. 1391-18900, and any United States of America patent application that claims at least partially benefit of provisional application no. 60/190,236, including but not limited to, all applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, including any continuation, continuation-in-part, continued prosecution, divisional and/or any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world and all substitutions for renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws and statutes;
3. All rights and causes of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;
4. The right in ASSIGNEE to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and

5. All domestic and international rights of priority associated with said invention, applications, patents and like protection;

(hereinafter collectively the "Invention") and I covenant that I, and my heirs, legal representatives, assigns, administrators, and executors, will, at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.

ASSIGNOR represents and warrants that: I have disclosed the best mode of making and using the Invention; I know of no prior art that would prevent patenting the Invention; and Mr. Michael Evans and I are the original, true, and only inventors of the Invention.

EXECUTED at the place and on the date indicated below, opposite my signature.
