INVENTOR(S) (Name) JAMES R. DONAHUE		COMPANY THE FOXBORO COMPANY	
		CONTRACT NO. N/A	GOVERNMENT AGENCY U.S. NAVY
		COMPANY INVENTION DOCKET NO. 79059	
		DATE EXECUTED 3/9/01	SERIAL NO. 09/832,156

The undersigned Inventor, in recognition of his obligation as an employee of the Foxboro Company (Company) to assign inventions to the Company, and in recognition of the Government's interest in preparing, filing and prosecuting the above patent application, hereby assigns to the United States of America, subject to a nonexclusive and royalty-free license, which is hereby reserved to the Company, all right, title and interest in and to each invention disclosed and claimed in the above U.S. patent application

The license reserved to the Company shall extend to all existing and future associated and affiliated companies, if any, within the corporate structure of which the Company is a part and shall be assignable to the successor of that part of the Company's business to which such invention pertains.

The Inventor further agrees to assist the Company, and the Government, upon request, by furnishing any available information and documents, and by performing all acts and doing all things which may be reasonably necessary to make this assignment effective.

The Company joins in and agrees to the foregoing assignment, and except for the above reservation of a license relinquishes and assigns all right, title and interest in and to such invention, and further agrees to furnish to the United States of America, upon request, any available information and documents necessary for the prosecution of the above-identified application for patent (including prosecution and settlement of interferences), and any substitution, division, continuation-in-part, or continuation of such patent application and any application for reissue of any patent resulting from such patent application.
