ASSIGNMENT

I, the undersigned, Jeremy H. Klug HEREBY STATE UNDER OATH that I was the original, first and sole inventor of an invention for a PROCESS TO REDUCE WARPING OF GRAPHITE ARTICLES as described and/or claimed in my application for Letters Patent in the United States of America, executed on even date herewith, (Case No. P-1037).

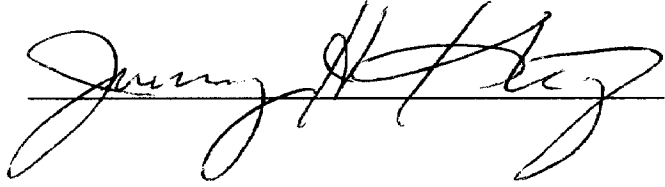

NOW, THEREFORE, for one (1) dollar and other good and valuable consideration, the sufficiency of which is hereby acknowledged, I do hereby assign, transfer and sell to GRAFTECH INC., a corporation organized and existing under the laws of the State of Delaware, United States of America, its successors and assigns, having an office at 3102 West End Ave., Nashville, Tennessee 37203, United States of America as Assignee, without any restrictions, reservations or limitations, my entire right, title, and interest in and to the aforesaid invention and application for Letters Patent and all patents which may be granted thereon, and all divisions, continuations, continuations-in-part, reissues, and extensions thereof;

INCLUDING ALL RIGHTS in and to said invention in any country of the world, including, but not limited to, all priority rights derived from the aforesaid application for Letters Patent by virtue of the International Convention for the Protection of Industrial Property, for any and all member countries of the aforesaid International Convention;

AND FURTHER INCLUDING THE SOLE RIGHT to file such applications under the Patent Laws of any country of the world in its name and/or mine, and the sole right to have patents granted on said applications in its name and/or mine to the full end of the term for which said patents may be granted as fully and entirely as the same would have been held by me had this assignment not been made, and to enforce said patents with my right to sue for and recover accrued profits or damages for any and all infringements thereof;

AND agree that I will communicate to said GRAFTECH INC., or its representatives any facts known to me respecting said invention and testify in legal proceedings, sign all lawful papers, execute all divisional, continuing, reissue and other applications, make all rightful oaths and generally do everything possible to aid said GRAFTECH INC., its successors, assigns, and nominees, to obtain and enforce proper protection for said invention in all countries.

SIGNED AND SEALED at Parma this 10th
day of May, 2001.
