A S S I G N M E N T

We, the undersigned named inventors, each residing at the address listed by my respective name and signature below, have made an invention disclosed and claimed in an executed application for patent thereon entitled

COLLAPSIBLE SAWHORSE (Attorney Docket No. CFL 27434) which application is being filed concurrently herewith.

FURTHER, in consideration of our respective association with or employment by the ASSIGNEE named herein, and other good and valuable consideration, receipt of which is acknowledged, we each herein assign and transfer to said ASSIGNEE:

Berg Manufacturing & Sales Corporation, Inc.
50 Messner Drive
Wheeling, IL 60090

a corporation organized and existing under the state laws of Illinois, and its assigns or successors, the entire right, title and interest in and to said invention and application, and in and to any division, continuation or continuation-in-part, reissue or extension of said application, and in and to any Letters Patent that may be issued therefrom, and including the right to apply for Letters Patent in any foreign country in its own name and to claim priority rights for such foreign application(s) as entitled under international conventions, treatise, or otherwise, which have been or may be granted on any of the foregoing to be held by us had this assignment and transfer not been made.

FURTHER, we each respectively agree individually and for our heirs, executors and administrators to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as lawfully may be necessary by said ASSIGNEE, its successors, assigns, or nominees, to secure its interest as aforesaid and to obtain, maintain, and enforce any of said Letters Patent(s) in any country.
