ASSIGNMENT

WHEREAS, Kaleidoscope Imaging, Inc., an Illinois corporation having a post office address of 117 South Morgan Street, Chicago IL 60607 (hereinafter called the "Assignor"), has acquired the inventions and improvements in

POWER SUPPLY

for a full description of which reference is hereby made to an application for Design Letters Patent of the United States, executed on 5/02/01 by Gary Chiappetta and Bryan Fox and identified as Case No. 00646000017;

WHEREAS, , a Gen-X of America, L.L.C., a limited liability company organized and existing under the laws of the State of Illinois, having a place of business at 28427 N. Ballard Road, Lake Forest, Illinois 60045, is desirous of acquiring the entire right, title and interest in and to said invention, to the application above identified, and in, to and under Letters Patent which may be obtained for said invention, and to other applications or patents covering said inventions, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by said Assignor, the Assignor has sold, assigned, and transferred, and by these presents does sell, assign, and transfer unto the said Assignee, the entire right, title and

interest for the United States in and to the invention and application hereinabove identified, and any Letters Patent of the United States that may issue for said invention, together with the entire right, title and interest in and to said invention and applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of Industrial Property and other agreements and treaties of like purpose; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And the Assignor does hereby covenant and agree, for itself and its legal representatives, that it will assist its said Assignee in the prosecution of any of the applications herein referred to; in the making and prosecution of any other applications for Letters Patent that the said Assignee may elect to make covering the invention herein referred to, including any divisional, continuation, or continuation-in-part application; or any application to reissue any patent referred to herein; in vesting in the said Assignee exclusive title in and to all applications and Letters Patent referred to herein; and in the prosecution of any interference or infringement action which may arise involving said invention or any claim thereto or thereunder, or any application or Letters Patent herein referred to; and they will execute and deliver to the said Assignee any and all additional papers which may be requested by said Assignee to vest title in said Assignee

in the United States and in countries foreign thereto, and will otherwise fully carry out the terms of this agreement.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to the said Assignee in accordance with the terms of this assignment.

IN TESTIMONY WHEREOF, the said Assignor has hereunto set its hands and affixed its seal.
