ASSIGNMENT AND AGREEMENT

For value received, we, **Gregory P. Rochon**, of **York** in the **State of Pennsylvania**, **Wayne F. Fickes** of **York** in the **State of Pennsylvania**, and **Thomas Glatfelter** of **Dover** in the **State of Pennsylvania**, hereby sell, assign and transfer to **Greydon Inc.**, a corporation of the **State of Pennsylvania**, having an office at **391 Greendale Road, York, Pennsylvania U.S.A.**, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Flexographic Rotary Platen Printing Press** described in nonprovisional application U.S. Serial No. 09/707,049 filed November 6, 2000, and all of the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **Greydon Inc.** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize **Greydon Inc.** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Greydon Inc.** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **Greydon Inc.** in the United States and to **Greydon Inc.** in all countries foreign to the United States, or to such nominees as they may designate.

We agree that, when requested, we shall, without charge to **Greydon Inc.** but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents or other forms of protection.
