## ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I (if only one name is listed below) or we (if plural names are listed below), the undersigned hereby sell, assign and transfer to:

(Name of Assignee): 3Com Corporation

a corporation of (state or country): State of Delaware

having a place of business at (address): 5400 Bayfront Plaza,  
P.O. Box 58145, Santa Clara, CA 95052-8145, USA

its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States letters Patent, which has been executed by the undersigned concurrently herewith and is entitled:

(Title of Invention): "Method and Apparatus for Telephone  
Dialling Using a Network Device"

and in and to said application and all divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignment, powers of attorney and other papers; communicate to said Assignee, its successors, and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in

said Assignee, its successors, assigns and legal representative;  
and

Covenant with said Assignee, its successors, assigns and  
legal representatives that no assignment, grant, mortgage,  
license or other agreement affecting the rights and property  
herein conveyed has been made to others by the undersigned, and  
that full right to convey the same as herein expressed is  
possessed by the undersigned.

The undersigned hereby grant(s) the law firm of Michaelson &  
Wallace the power to insert on this Assignment any further  
identification which may be necessary or desirable in order to  
comply with the rules of the U.S. Patent and Trademark Office for
