**TRANSMITTAL LETTER ACCOMPANYING
ASSIGNMENT DOCUMENT FOR RECORDATION**

Sir:

Applicant respectfully requests that the following updated receiving party address information be recorded for the above-identified patent application.

Information to correct typographical error in the Assignee's Address (zip code)

Correct Receiving Part Zip Code: **19335**

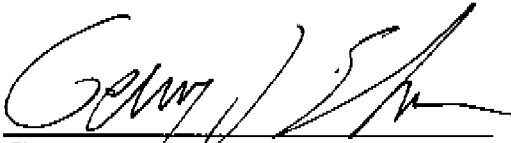

Applicant draws the Office's attention to page 2 of 4, paragraph 5, of the attached Assignment document, wherein the assignor, William Peterson, authorizes Gerry J. Elman, the undersigned attorney of record, to "insert any further identification or information necessary or desirable to make this Assignment recordable in the United States Patent and Trademark Office." Applicant provides this correction for reference by any possible parties desiring information regarding the Assignee of record. Applicant avers that the erroneous zip code, 19355, in the Assignee address appearing on page 1 of 4 was an inadvertent, unintentional typographical error.

Applicant encloses herewith a true copy of the original Assignment with the correct receiving party address information marked thereon and initialed and dated by the undersigned, Gerry J. Elman, attorney of record, being the individual so designated and

under 35 U.S.C. Section 111(a), divisions, continuations and continuations-in-part thereof as well as all foreign counterparts, including regional and international applications, and all applications containing disclosure in common therewith, together with all Letters Patent in any country or jurisdiction arising from any of the aforesaid applications, as well as any and all reissues and reexaminations thereof, the same to be held and enjoyed by Assignee, its successors and assigns, to the full ends of the terms of all said Letters Patent therefor which may be granted.

I hereby authorize and request the Patent Office officials in the United States and all foreign countries or jurisdictions to issue any and all of said Letters Patent, when granted, to Assignee, as the Assignee of my entire right, title and interest in and to the same, for the sole use and behoof of Assignee, its successors and assigns. I hereby authorize the Assignee to make application for and to receive Letters Patent for said invention in any countries or jurisdictions in its own name, or in our joint names, at its election.

Further, I hereby agree to communicate to Assignee, or its representatives, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, reissue and related United States and foreign applications and declarations relating thereto, execute all necessary claims of priority and assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths, and generally to do everything possible to aid Assignee, its successors and assigns, to obtain and enforce protection for said invention in the United States and in any and all foreign countries or jurisdictions. The rights and property herein conveyed by me are free and clear of any encumbrances.

To facilitate the completion in my absence of formal papers referred to in the preceding paragraph, I hereby grant a special power of attorney to the an authorized officer of Assignee, or its successor-in-interest limited specifically to the authorization to sign any true and lawful document relating to any such international or foreign patent application in the capacity of attorney-in-fact for me.

I hereby authorize Gerry J. Elman, Registration No. 24,404 of the firm Elman & Associates, to correct errors in this Assignment document and to insert any further identification or information necessary or desirable to make this Assignment recordable in the United States Patent and Trademark Office, or elsewhere.
