# **ASSIGNMENT**

WHEREAS I am a below named inventor of the invention entitled:

## **TREATMENT OF DISORDERS OF THE OUTER RETINA**

and described in a PCT application designating the United States filed with the United States Patent and Trademark Office on October 20, 1999, and further identified by Attorney Docket No. 1628PCT; and

WHEREAS, ALCON LABORATORIES, INC., a company organized under the laws of Delaware and having a place of business at 6201 South Freeway, Fort Worth, Texas, 76134, is desirous of acquiring the entire right, title, and interest in and to said invention and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, and transfer to ALCON LABORATORIES, INC., its legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant and render all necessary assistance in making application for and obtaining original, divisional, continuation-in-part, reexamined, reissued, or other Letters Patent of the United States or of any and all foreign countries on said invention and in enforcing any rights in action accruing as a result of such applications or patents, said assistance to include my cooperation in all prosecution associated with obtaining such applications or patents and my provision of testimony in any proceedings or transactions involving such applications or patents, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said ALCON LABORATORIES, INC., its legal representatives, successors, or assigns, as the sole owner of

the entire right, title, and interest in said patent and the invention covered thereby.
