# ASSIGNMENT OF INTELLECTUAL PROPERTIES

WHEREAS, I, Thomas Yager, 5571 Rocky Mountain Road, Fort Worth, Texas 76137, Gregorio O. Loveria III, 10 Beman Street, Binghamton, NY 13901, and Steven Getman, 1525 Amherst Manor Drive, Williamsville, NY 14221, hereinafter the Assignors, have invented certain new and useful improvements in a Method and Apparatus for Displaying Video Clips, for which invention an application for Letters Patent of the United States of America was executed on 20 July, 1994, and have further created original works of authorship and identifying marks and designs incident thereto;

AND WHEREAS, NAMS International, Incorporated, hereinafter Assignee, a corporation with a principal place of business at 10 Beman Street, Binghamton, NY 13901, desires to acquire the entire right, title, and interest in and to said invention, said application, and in and to any Letters Patent to be granted thereon in the United States and countries foreign thereto, and including other original works of authorship incident to the invention, and any adaptations thereof, and any marks or designs, and all renewals and extensions thereof which serve to identify the foregoing which may be secured under the laws now or hereafter in effect of the United States or any other country or countries, together with all royalties and causes of action for infringement, if any, and the right to sue therefore

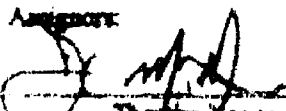

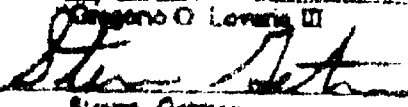

NOW, THEREFORE, be it known by all whom it may concern, that for a valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby warrant that we have full unencumbered ownership of said invention and application and other original works of authorship hereby assigned, and we have assigned and transferred and do hereby forever assign and transfer unto Assignee, its successors or assigns, our entire right, title and interest in and to said invention, said application and any continuation, continuation-in-part, or division thereof relating in whole or in part to said invention, any said Letters Patent and any Reissue thereof, which may be granted on said invention, said application and any said continuation, continuation-in-part or division thereof, and any and all other rights or benefits accrued, accruing or to accrue to us with respect to said invention and application in both the United States and countries foreign thereto including, but not limited to, priority rights, convention rights, rights of reexamination, extension or renewal, and rights to file applications for, secure and maintain Patents, Inventor's Certificates, Utility Models, Utility Certificates, and Industrial Design Registrations, and including other original works of authorship incident to the invention, and any adaptations thereof, and any marks or designs, and all renewals and extensions thereof which serve to identify the foregoing which may be secured under the laws now or hereafter in effect of the United States or any other country or countries, together with all royalties and causes of action for infringement, if any, and the right to sue therefore

And we agree to sign and properly execute such necessary and lawful papers and to do such necessary and lawful acts, as may be required by said Assignee, its successors or assigns, to properly obtain and/or maintain any and all rights assigned, sold and transferred hereinabove

And we further authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee, its successors or assigns, as the owner of the entire right, title and interest thereto. It is understood and agreed that this assignment is coupled with an interest and that it cannot be revoked by either party hereto. By the acceptance of this agreement, the Assignee assumes all the liability and responsibility of the Assignors under this assignment, and shall indemnify and save harmless the Assignors against any claim that may be made against the Assignors in any way based on the said contract and shall pay any judgment that may be recovered against the Assignors as a result of said agreement

In witness whereof, we have executed this assignment
