

ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS

WHEREAS, AmeriComm Direct Marketing Inc., a corporation of the State of Delaware, hereinafter called "Assignor" warrants and represents that it is the owner of all right, title and interest in the United States patents, United States patent applications, foreign patents and foreign patent applications listed on the attached Schedule "A" (hereinafter referred to as "Patent Rights"); and

WHEREAS, Dandrew Manufacturing LLC, a Virginia limited liability company, hereinafter called "Assignee", is desirous of acquiring all of Assignor's right, title and interest in and to said Patent Rights.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, said Assignor, does hereby sell, assign and transfer effective on the date written below to said Assignee, all right, title and interest in and to said Patent Rights, together with the right to recover damages for past infringements thereof, the same to be held and enjoyed by the said Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term for which each of said United States patents and foreign patents is granted, and to the end of the term of patents issuing from said United States and foreign patent applications, as fully and entirely as the same would have been held and enjoyed by the said Assignor if this assignment and sale had not been made.

Assignor hereby authorizes and requests that the appropriate patent office authorities issue all patents based upon each of the patent applications listed in Schedule A hereto to Assignee; and

Assignor agrees to execute any further documents necessary to secure said

Assignee in its full and complete enjoyment of its rights to said Patent Rights.

IN TESTIMONY WHEREOF, Assignor has caused this assignment to be signed
by its duly authorized officer and its corporate seal to be thereto affixed.
