## ASSIGNMENT AND AGREEMENT

For One Dollar (\$1.00) and other good and valuable consideration clearly set forth in the "Hackensack University Medical Center Administrative Policy Manual – Patents, Inventions, and Transfer of Technology (T.O.T.)," which is hereby incorporated by reference hereto, we, **Kenneth GIUFFRE** of the Township of Wyckoff in the County of Bergen and the State of New Jersey, and **Joseph BARBETTA** of the Township of Oradell in the County of Bergen and the State of New Jersey, hereby sell, assign and transfer to **Hackensack University Medical Center**, a not for profit organization having an office at 30 Prospect Avenue, Hackensack, NJ 07601, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest in and to certain inventions related to

### DEVICE AND METHOD FOR PREVENTING IGNITION OF AN ENDOTRACHEAL TUBE DURING LASER SURGERY

described in an application for Letters Patent of the United States, filed with the United States Patent Office on December 8, 2000, and all of the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **Hackensack University Medical Center** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize **Hackensack University Medical Center** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Hackensack University Medical Center** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **Hackensack University Medical Center** in the United States and to **Hackensack University Medical Center** in all countries foreign to the United States, or to such nominees as they may designate.
