(To Be Submitted With Application)

WHEREAS, we, William C. Stewart, Randall R. Thom and Paul C. John, residents of Gladstone, Oregon; Tualatin, Oregon; and Beaverton, Oregon, respectively, are joint inventors of an improvement in or relating to BIOLOGICAL FILTER STRUCTURES for which we are about to make application for Letters Patent of the United States of America.

WHEREAS, BIO-REACTION INDUSTRIES, LLC, a Limited Liability Company organized under the laws of the State of Oregon, having a place of business at 18500 S.W. Teton Avenue, Tualatin, Oregon 97062, is desirous of acquiring an interest therein.

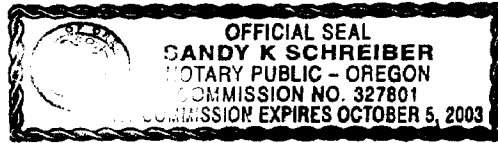

NOW, THEREFORE, in consideration of One Dollar (\$1) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, William C. Stewart, Randall R. Thom and Paul C. John, assign and transfer to BIO-REACTION INDUSTRIES, LLC, our entire legal and equitable right, title, and interest for the territory of the United States of America, and for all foreign countries, in and to the invention described and claimed in the application executed by us on _____, preparatory to obtaining Letters Patent of the United States for said invention (and we authorize our attorneys of record to insert the date of execution of the application); said invention, application, and Letters Patent in this or any foreign country, and all divisions, continuations, reissues, and extensions thereof, to be held and enjoyed by the said BIO-REACTION INDUSTRIES, LLC for its own use and behalf, and for its successors and assigns, to the full end of the term for which Letters Patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and we warrant that we have full right to do so, and agree that we shall communicate to the said BIO-REACTION INDUSTRIES, LLC, or its successors and

testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful declarations, and generally do everything possible to aid BIO-REACTION INDUSTRIES, LLC, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.
