REEL: 011921 FRAME: 0732

DOCKET NO.: ARCO-25,300 DP 50-6-1841A

ASSIGNMENT

WHEREAS, I, Steve Ingistov, residing at 7825 Anise Avenue, Los Angeles, California 90045, am the first and sole inventor of an invention or improvement in

"A METHOD AND APPARATUS FOR INCREASING THE EFFICIENCY OF A MULTI-STAGE COMPRESSOR"

for which I have executed an application for Letters Patent of the United States of America of even date herewith; and

WHEREAS, Watson Cogeneration Company, a corporation organized and existing under the laws of the State of California, having its principal office and place of business at 22850 S. Wilmington Avenue, Carson, California 90745, is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application in the United States of America and in any and all countries foreign thereto;

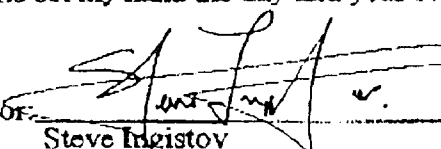

NOW, THEREFORE, for One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said Watson Cogeneration Company, its successors, legal representatives, and assigns, my entire right, title and interest in, to and under the said invention, and the said application, and all divisional, renewal, substitutional, and continuing applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention, all rights to register said invention in appropriate registries, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States of America and all extensions, renewals and reissues thereof, and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said Watson Cogeneration Company, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to said Watson Cogeneration Company, its successors, legal representatives and assigns, any fact known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, renewal, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said Watson Cogeneration Company, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand the day and year set opposite my signature.

Steve Ingistov

Assignment To

Watson Cogeneration Company

Los Angeles, California, United States of America

Whereas I,

Inventor	<u>Steve Ingistov</u>
Post Office Address	<u>7825 Anise Avenue</u>
<u>Residence</u>	<u>Los Angeles, California 90045</u>

have invented certain new and useful improvements in

A METHOD AND APPARATUS FOR INCREASING THE EFFICIENCY OF A MULTI-STAGE COMPRESSOR

identified as Steve Ingistov
Attorney Docket No. AR 1841

and described in an application for patent in the United States of America identified above and executed by me, respectively; and

Whereas, **Watson Cogeneration Company**, a California General Partnership, having a principal office and place of business at 22850 South Wilmington Avenue, Carson, California 90745, U.S.A., desires to record a specific assignment to the entire right, title and interest in and to the above-identified invention or inventions, and in and to any Letters Patent therefor in the United States of America and countries foreign thereto;

Now therefore, in consideration of One Dollars (\$1.00) and other good and valuable consideration by me received, the receipt of which is hereby acknowledged, I have sold and assigned, and hereby do sell and assign, to **Watson Cogeneration Company**, its successors and assigns, the entire right, title and interest (a) in the above-identified invention or inventions and all improvements and modifications thereof, (b) in the above-identified application, all provisional and non-provisional applications for patent upon which the above-identified application claims benefit, and all other applications for patent of the United States of America and countries foreign thereto for the above-identified invention or inventions and all improvements and modifications thereof, (c) in all Letters Patent which may issue from said applications in the United States of America and countries foreign thereto, and (d) in all divisions, reissues, continuations, conversions, and extensions of said applications and Letters Patent; and covenant I have the full right so to do; and I hereby authorize and request the Commissioner of Patents and Trademarks to issue all United States Letters Patent on the invention or inventions included herein to **Watson Cogeneration Company** as assignee of the entire interest.

I further agree that I shall communicate to **Watson Cogeneration Company**, its successors and assigns, or their representatives or agents all facts and information known or available to me relating to said invention or inventions, improvements and modifications including evidence for interference, reexamination, reissue, opposition, revocation, conversion, extension, or infringement purposes or other legal, judicial or

administrative proceedings, whenever requested; testify in person or by affidavit as required by **Watson Cogeneration Company**, its successors and assigns, in any such proceeding in the United States of America or a country foreign thereto; execute and deliver, on request, all lawful papers including, but not limited to, original, provisional, non-provisional, divisional, continuation, continuation-in-part, and reissue applications, renewals, assignments, powers of attorney, oaths, affidavits, declarations, and depositions; and provide all reasonable assistance to **Watson Cogeneration Company**, its successors and assigns, in obtaining and enforcing proper protection for said invention or inventions, improvements and modifications under the intellectual property laws of the United States of America and countries foreign thereto.

In testimony whereof I have hereunto set my hand and seal, respectively, on the date set after my signature
