have invented certain new and useful improvements in **GERANIC ACID DERIVATIVES**

for which **we** *ma* **de** *application for LETTERS PATENT OF THE UNITED STATES, which application was filed on* **March 2, 2001, and has been U.S. Serial No. 09/786,279**

And Whereas, FIRMENICH S. A., organized and existing under the laws of Switzerland, having its principal place of business at 1, route des Jeunes, CH-1211 Geneve 8, Switzerland, and LONZA AG, organized and existing under the laws of Switzerland, having its principal place of business at Münchensteinerstrasse 38, CH-4052 Basel, Switzerland

hereinafter called the assignees, are desirous of jointly acquiring the entire right, title and interest in and to said invention within the United States of America and its territorial possessions and any United States LETTERS PATENT that may be granted therefor.

*Now, this Indenture Witnesseth. That for and in consideration of the sum of **ten** Dollars, in hand paid to us, and other good and valuable considerations, the receipt whereof is hereby acknowledged **we** have assigned, sold and transferred, and do hereby assign, sell and transfer to the said assignees jointly the entire right, title and interest in and to the said invention, within the United States of America and its territorial possessions, and in and to said application for LETTERS PATENT of the United States, and in and to all divisions and continuations of any of said applications, and in and to any LETTERS PATENT of the United States and all reissues, reexaminations and extensions thereof that may be granted, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to us by local laws or by treaty, including any international convention, for the protection of industrial property, together with the right to extend the protection of said U.S. LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America, all said rights to be held and enjoyed by the joint assignees for its own use and behoof, and for the use and behoof of their successors or assigns, to the full end of the respective terms for which said LETTERS PATENT may be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment sale had not been made. And we do hereby request and authorize that any and all LETTERS PATENT, when granted, be issued in accordance with this assignment to the assignees.*

*In further consideration of said sum of **ten** Dollars, and said other good and valuable considerations, to **us** paid **we** covenant and agree with the assignees that we have a full and unincumbered title to the invention hereby assigned, which title **we** warrant unto the assignees, and we further agree that we will, without demanding any further consideration therefor, at the request but at the expense of the assignees, do all lawful and just acts, including the execution and acknowledgment of instruments, furnishing of information and giving of testimony, that may be or become necessary for obtaining, sustaining, reexamining, or reissuing United States LETTERS PATENT for the said invention, and for maintaining and perfecting the assignees's right to said invention and LETTERS PATENT, particularly in cases of interference and litigation.*
