## ASSIGNMENT

For good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, **JOHN D. OSBORN** assigns, sells, transfers and conveys to Texas Encore Materials, Inc., a Delaware Company having an office in **Detroit, Michigan**, sometimes hereinafter called "Assignee," its successors and assigns, the entire right, title and interest throughout the world in and to:

1. The invention in **MIXER AND PROCESS FOR USE**.
2. My United States of America patent application filed concurrently on said invention, Attorney's File No. 940287-10, and is entitled: Mixer and Process for Use.
3. All applications for patent or like protection on said invention that have now been or may in the future be made by us or our legal representatives, whether in the United States of America or any other country or place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to us or our legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including, without limitation, those obtained or permissible under past, present and future law and statutes;
6. All rights of action on account of past, present and future authorized or unauthorized use of said invention and for infringement of said patents and like protection;
7. The right of Assignee to file in its name applications for patents and like protection for said invention in any country and countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection;

(hereinafter "Rights").

Further, we covenant and agree that we will, at the expenses of Assignee, its successors and assigns, cooperate with Assignee at Assignee's expense whereby Assignee may enjoy to the fullest extent the benefit of this Agreement. Such cooperation shall include but not limited to:

(1) Prompt execution of all papers that are deemed necessary or desirable by Assignee to perfect the right, title and interest herein conveyed, and

(2) Prompt execution of all petitions, oaths, specifications, declarations or other papers that are deemed necessary or desirable by Assignee for prosecuting patent applications, for filing and prosecuting substitute, division, continuing, or additional applications in the United States and/or foreign countries, for filing and prosecuting applications for reissuance or reexamination of letters patent, and for interference proceedings involving and covering any of the Rights, and

(3) Prompt assistance and cooperation, including but not limited to execution of documents and testifying, in the prosecution of legal proceedings involving any of the Rights, including, but not limited to, patent prosecution, interference proceedings, infringement court actions, opposition proceedings, cancellation proceedings, priority contests, unfair competition court actions, trade secret court actions, public use proceedings, slander, license breach and royalty collection proceedings and any other legal proceedings.

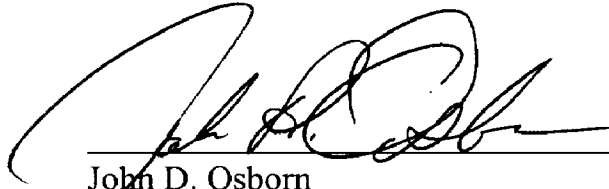

Further, we warrant that we have the right to make the assignment set forth herein.

Further, this Agreement shall be binding upon us, our executors, successors, trustees, devisees and assigns.

Further, this Agreement shall inure to Assignee, its successors, trustees, devisees and assigns.
