ASSIGNMENT

In consideration of one dollar and other good and valuable consideration, the receipt of which is acknowledged, we, the undersigned Kenneth J. Berk, Fredrick M. Berk, and Donald Berk do hereby sell, assign, and transfer to Pulpdent Corporation, a Massachusetts corporation having a principal place of business at 80 Oakland Street, Watertown Massachusetts 02172 (hereinafter referred to as the Assignee) the entire right, title, and interest to the invention made by us and described in the U.S. Patent application entitled DENTAL MIRROR AND PROTECTIVE MASK WITH INTEGRAL REMOVAL TAB filed herewith, including the full and exclusive right to the invention in the United States and in all other countries, and the entire right title and interest in and to any and all Letters Patent which may be granted in the United States or in any other countries, including any and all divisions, substitutions, continuations, reissues, and extensions of any of the aforementioned applications or patents, and including any priority rights in the United States or in any other country which may arise from any of the aforementioned applications or patents.

We further authorize and request the U.S. Commissioner of Patents, and all other officials whose duty it is to issue patents in the United States and in other countries, to issue any patent resulting from any of the aforementioned applications to the Assignee or its successors, assigns, or nominees. We hereby appoint the Assignee as our common representative before all competent international authorities for all foreign and international applications filed under the Patent Cooperation Treaty and under all other international agreements.

We further agree that we will communicate to the Assignee or its representatives or assigns any facts known to us concerning said invention, testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all lawful oaths or declarations, and generally aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention in all countries.
