PATENT ASSIGNMENT FORM

WHEREAS, we, Yurii A. Revenko and Alexander A. Tretyakov, citizens of Russia, residing in (city and state or country):

Zheleznogorsk, Krasnoyarsk Region, Russia;

and Zheleznogorsk, Krasnoyarsk Region, Russia,

respectively, have invented certain new and useful improvements in **OPEN-CELL GLASS CYRSTALLINE POROUS MATERIAL**, for which we are about to file an application for United States Letters Patent identified as **S-95,927**, executed by us on November 09, 2000, and November 09, 2000, respectively, and;

WHEREAS, the Government of the United States of America desires to acquire the entire right, title and interest in and to said invention and in and to any Letters Patents wherever they may be issued thereon;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar to us in hand paid by the Government of the United States, and for other good and valuable consideration, the receipt of which is hereby acknowledged, we by these presents do sell, assign, and transfer unto the said Government of the United States, the entire right, title, and interest in and to the said invention and in and to any and all Letters Patents wherever they may be granted thereon as well as reissues and extensions of said Letters Patent, the same to be held and enjoyed by the said Government of the United States or its assigns to the full end of the term or terms for which Letters Patents are, or may be granted, reissued, or extended, as fully and entirely as the same would have been held or enjoyed by us had this assignment not been made.

We agree to make, execute, and deliver unto the Government of the United States, any and all papers, documents, affidavits, renewal, divisional and reissue applications, statements, or other instruments in such usual or other forms, with terms and contents as may be required by the United States Government, or its duly authorized representative, in or incident to the prosecution or conduct of any and all applications, before as well as after, the issuance of any Letters Patent thereon, or in

the adjustment or settlement of any interferences or other actions or proceedings that said applications may encounter or in which they may become involved, and we agree that we will aid the Government of the United States in every way in protecting the invention as may be requested, except that any expenses arising through extending such assistance will be paid for by proper arrangement with the Government of the United States.
