ASSIGNMENT

For and in consideration of the sum of One Dollar (\$1.00) in hand paid, and for other valuable and sufficient consideration, receipt of which is hereby acknowledged, from Prisma Fibers, Inc., a corporation duly organized and existing under the laws of the Commonwealth of Virginia and having a place of business at 14401 Industrial Park Road, Bristol, VA 24202 (hereinafter "Assignee"), we, Arnold L. BELCHER, Jr. and Lawrence E. RASNICK, Jr. (hereinafter "Assignors"), have sold, assigned, and conveyed and do hereby sell, assign, and transfer unto the Assignee, and its successors or assigns, our entire right, title, and interest:

(1) in and to an invention entitled, **"Apparent Twist Yarn System and Apparatus and Method for Producing Same"** as described or intended to be described in an application for Letters Patent of the United States filed concurrently herewith;

(2) in and to all other applications for Letters Patent of the United States (including divisional, continuation, substitute, and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including extensions and reissues, if any, to the full end of the term or terms for which said patents may be granted; and

(3) in and to all applications for patents on said invention or any application for invention certificate now or hereafter filed in countries foreign to the United States of America, including any applications for patent filed under the Patent Cooperation Treaty and/or the European Patent Convention or under any other International Convention and to any and all patents and invention certificates granted on said applications to the full end of the terms for which said patents and invention certificates may be granted.

We hereby covenant and agree that we will, upon request of Assignee, its successors or assigns, and without further consideration:

- I. execute any and all papers deemed necessary by said Assignee, its assigns, to fulfill the intent and purpose of this agreement, and
- II. provide the Assignee, its successors or assigns, with all pertinent facts and documents relating to said invention or said application and

will testify as to the same in any judicial or other proceeding related thereto;

it being understood that any expense incident to such activities shall be paid by said Assignee, its successors or assigns and not by us,

And the Commissioner of Patents of the United States is hereby authorized and requested to issue said Letters Patent of the United States, and each of them, to the said Assignee, its successors or assigns, as the assignee of our entire right, title and interest therein.
