ASSIGNMENT

WHEREAS, C & D Innovations, L.C., a limited liability company, organized and existing under the laws of the State of Utah, having a business address of 28 West 450 North, Lindon, Utah 84042, (hereinafter "Assignor") having been assigned a certain new and useful improvement in an HEIGHT AND ANGLE ADJUSTABLE UTILITY ACCESS DEVICE AND METHOD for which an application for United States Letters Patent was filed March 22, 2001; and given Serial No. 09/815411; and

WHEREAS, Precision Cover Systems, Inc., a corporation, organized and existing under the laws of the State of Utah, having a business address of 28 West 450 North, Lindon, Utah (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to Assignor by Assignee, the receipt and sufficiency whereof is hereby acknowledged, Assignor, hereby grants and assigns unto the said Assignee, its entire right, title and interest in said invention and in all patent applications based thereon, including but not limited to the above identified United States Patent Application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries; the right, power and authority to file and prosecute U.S. and foreign patent applications on said invention in its own

name, wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all Letters Patent on said invention to the said Assignee as the owner of our entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

This assignment and agreement shall be binding upon our legal representatives.

Executed this 29 day of May, 2001 at Sandy, Utah.
