ASSIGNMENT

WHEREAS, the following inventors: Timothy Riendeau, John DeTora, Matthew McAllister, Sharon Gannon, Jasmin Blackmar, and Clifton Dutton (hereinafter referred to as "Assignors"), have invented certain new and useful improvements in "Online Game Of Chance Providing a Multi-Player Extension Of A Single-Player Virtual Scratch Ticket Game And A Method Of Playing The Game" for which an application for Letters Patent of the United States has been filed on June 1, 2001.

WHEREAS, GTECH Corporation, a corporation having its principle place of business at 55 Technology Way, West Greenwich, RI 02817, its heirs, successors, legal representatives and assigns (hereinafter designated as the Assignee), is desirous of acquiring the entire right, title, and interest in and to said invention and to any Letters Patent(s) that may be granted therefore in the United States of America.

NOW, THEREFORE, in consideration of One Dollar (\$1.00), and other good and valuable and consideration to the undersigned, the receipt of which is hereby acknowledged, the Assignors have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States of America and its territories, dependencies and to the entire right, title, and interest in and to any and all Letters Patent(s) that may be granted therefor in the United States of America and its territories dependencies and possessions, and in and to any and all divisions, reissues, continuations and extensions thereof for the full term or terms for which the same may be granted.

The undersigned agree to execute all papers necessary in connection with this application and any continuing, divisional or reissue applications thereof and also to execute separate assignments in connection with such applications, as the Assignee may deem necessary or expedient.

The undersigned agree to furnish all pertinent facts and documents relating to said application, said invention and said patent(s) as may be known and accessible to the undersigned, and will testify as to the same in any interference or litigation related thereto, and will promptly execute and deliver to Assignee any and all papers, instruments or affidavits necessary or desirable to apply for, obtain, maintain or enforce said application or said patent(s) in connection with any interference that may be declared, and any litigation concerning this application or any continuation, division or reissue thereof or Patent(s) or reissue patent(s) issued thereon, and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference or litigation.

The undersigned agree to perform all affirmative acts that may be necessary to obtain a grant of a valid United States patent(s) to the Assignee and to vest all rights therein hereby conveyed to said Assignee as fully and entirely as the same would have been held by the undersigned if this Assignment and sale had not been made.

The undersigned hereby grant the law firm of Dike, Bronstein, Roberts & Cushman, Intellectual Property Practice Group of EDWARDS & ANGELL LLP, of P.O. Box 9169, Boston, Massachusetts 02209, the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patents of the United States of America resulting from said application or any division or continuing or reissue applications thereof to the said Assignee, as Assignee of the entire interest, and hereby covenant that he or she has the full right to convey the entire interest herein assigned, and that he or she has not executed, and will not execute, any agreement in conflict herewith.

IN WITNESS WHEREOF, the Assignors have caused this Assignment to be executed.
