## ASSIGNMENT

For valuable consideration received from Breed Automotive Technology, Inc., a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at Lakeland, County of Polk, State of Florida, United States of America, Martin Specht of Im Harl 4, D82340 Feldafing, Germany; inventor and owner of an invention entitled DEVICE FOR RELEASING GAS FROM A VESSEL which has been assigned Attorney's docket no. 959 as set forth in the application signed by me, does hereby sell, assign, and transfer unto Breed Automotive Technology, Inc., the entire right, title and interest, for the United States of America and the Territories thereof and for all foreign countries and territories, in and to said invention (including the above-referenced patent application and any foreign equivalents thereof, any continuation, continuation-in-part, or division thereof, and any patent, reissue, extension or reexamination based thereon); and I do authorize and request the Commissioner of Patents and Trademarks to issue any letters patent issuing on said invention to Breed Automotive Technology, Inc. in accordance herewith; this assignment being under covenant that I have full power to make the same, and also that such assigned right is not encumbered by any grant, license or other right heretofore given, and that I will do any further lawful act desired by this assignee in the prosecution of such application, and any and all other applications, United States or foreign, which may be filed on said invention by me or on my behalf.

I hereby authorize and request the attorneys appointed by me in said application to record on this assignment the Serial No. and filing date of said application when such are ascertained.
