invented by me (if only one is named below) or us (if plural inventors are named below) and described in the application for United States Letters Patent filed as,

Serial No. 09/846,778, filed on May 2, 2001,

and all United States Letters Patent which may be granted therefor, and all divisions, continuations and extensions thereof, the said interest being the entire ownership of the said Letters Patent when granted, to be held and enjoyed by said assignee, its successors, assigns or other legal representatives, to the full end of term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me or us if this assignment and sale had not been made.

And I hereby agree to sign and execute any further documents of instrument which may be necessary, lawful, and proper in the prosecution of the above-named application or in the preparation and prosecution of any continuing, continuation-in-part, substitute, divisional, renewal, reviewed or reissue applications or in any amendment, extension, or interference proceedings, or otherwise.

to secure the title thereto in said assignee;

And I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said assignee.

The undersigned authorize and request the Commissioner of Patents to issue said Letters Patent to said assignee.

The undersigned hereby grant (s) the law firm of **Nath & Associates, 1030 15th Street, NW-6th Floor, Washington, D.C. 20005**, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document
