ASSIGNMENT

WHEREAS, We, Timothy J. Starkweather, of Simi Valley, California; Ronald J. Lebel, of Sherman Oaks, California; Daniel H. Villegas, of Granada Hills, California; Philip T. Weiss, of Pasadena, California; John T. Armstrong, of Pasadena, California; and John D. Richert, of La Habra Heights, California, have invented certain new and useful improvements disclosed in United States Patent Application Serial No. 60/177,414, filed on January 21, 2000 and entitled "Medical Apparatus and Method for Including an Implantable Device and an External Communication Device" and in United States Patent Application Serial No. 09/768,207, filed on January 22, 2001 and entitled "Method and Apparatus for Communicating Between an Ambulatory Medical Device and a Control Device Via Telemetry Using Randomized Data"; and

WHEREAS, Medical Research Group, Inc., a Delaware corporation, having a place of business at 12744 San Fernando Road, Sylmar, CA 91342 is desirous of acquiring the entire right, title, and interest in and to the improvements and applications noted above;

Now, Therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, We each hereby assign, transfer and set over to Medical Research Group, Inc. an undivided right, title and interest in and to the improvements, and the applications and all divisionals, substitutions, continuations and continuations-in-part, thereof, and all United States Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) granted for the improvements in any foreign countries; and we here authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications, to issue all patents for said improvements to Medical Research Group, Inc.;

We each hereby covenant that we, respectively, have the full right to convey the entire interest herein assigned and that we, respectively, have not executed and will not execute any agreement in conflict herewith; and

We each hereby further covenant and agree that we, respectively, will communicate to Medical Research Group, Inc. any facts known to us respecting the improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the improvements in all countries.
