## PATENT ASSIGNMENT

WHEREAS, Burns Philp Food Inc., a California corporation having a business address of 240 Larkin Williams Industrial Court, Fenton, MO 63026 ("Assignor") is the owner of the patent, identified in the attached Schedule "A" hereto and made a part hereof (the "Patent"); and

WHEREAS, Tone Brothers, Inc., an Iowa corporation, having a business address at 2301 SE Tone's Drive, Ankeny, Iowa 50021 ("Assignee") desires to acquire all right, title and interest in and to the Patent;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, transfer, convey and assign unto Assignee Assignor's entire right, title and interest in and to the Patents, in the United States and all jurisdictions outside the United States, including the right to apply for any letters patent in any and all such jurisdictions on any inventions contained in said Patents, and any and all other applications for letters patent on said inventions, in whatsoever countries, including all divisional, renewal, substitute, continuation and convention applications based in whole or in part upon said inventions or upon said applications, and any and all letter patent that may issue thereon, in any and all such jurisdictions, and any and all reissues, extensions, renewals, divisions or continuations of letters patent granted for said inventions upon said application, to the full end of the term or terms for which said letters patent may be issued, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said letters patent, the same to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors and assigns, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this assignment not been made, together with all claims for damages by reason of past infringement of said Patents or misappropriation of any inventions contained in said Patents, with the right to sue and collect the same for its own use or for the use of its successors and assigns.

Assignor hereby authorizes the Commissioner of Patents and Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and/or the appropriate empowered officials in relevant jurisdictions outside the United States to transfer all of the Patents to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this Patent Assignment, and to issue to Assignee or as Assignee may direct all letters patent and other items referred to above which may issue with respect to any patent application included in the Patents, in accordance with this Patent Assignment.

Assignor will take, or cause to be taken, all such other and further action, and will execute and deliver, or cause to be executed and delivered, to Assignee and its successors and assigns, all further documents, as may reasonably be requested by Assignee in order to effect the assignment contemplated hereby, including without limitation to enable Assignee and its successors and assigns to file applications for the inventions covered by the Patent in any country where it (or they) may elect to file such applications, and that may be necessary to vest in Assignee and its successors and assigns, the title herein conveyed or intended so to be, and to
