# ASSIGNMENT OF INVENTION AND PATENT RIGHTS

Whereas, we, William J. McHenry and Jason L. Williams, herein sometimes referred to as "assignors", both having an address at 265 Carolina Nooseneck Road, Wyoming, Rhode Island 02898, are the inventors of a certain invention entitled Actuator, the specification forming part of an application for Letters Patent of the United States executed herewith;

Whereas, Mentor Group LLC, an Oregon limited liability company herein referred to as "assignee" and whose post office address is P.O. Box 84, West Linn, Oregon 97068, has acquired the entire right, title and interest in the same pursuant to an agreement between assignors and assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the assignors, hereby confirm that they sold, assigned and transferred to the assignee, the full and exclusive right, title and interest in and to said invention and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute related US non-provisional application(s) international applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by assignee for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by the assignors had this assignment and sale not been made, and covenant that we, the assignors, have full right so to do, and agree that we will communicate to assignee, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid assignee, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.
