ASSIGNMENT OF DESIGN PATENT

This Assignment is made on July 23, 2001, by Yinge Xu of Rm. 5D, Fuxing Garden, Futian, Shenzhen, People's Republic of China, Assignor, to CEAC USA CORP., a California corporation, Assignee, having a place of business at 596 Aspen Ridge Court, Oak Park, California 91377.

WHEREAS, Assignor has invented a new, original and ornamental design for a **MINIATURE FLOURESCENT LIGHT BULB**, for which an application for United States Letters Patent has been executed by him this day; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the design disclosed and claimed in said design patent application; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design and said design patent application, and any Letters Patent that has been or may be granted for said design in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee the entire right, title and interest in and to said design and said design patent application in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

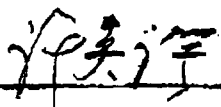

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing any Letters Patent in the United States and throughout the world for said design, and for perfection, recording, or maintaining the title of Assignee, its successors and assigns, to said design, and any Letters Patent granted for said design in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said design, whether based on said design patent application or on any subsequently filed divisional, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said design.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written hereinbelow.

Assignor:
