ASSIGNMENT OF INVENTION AND PATENT APPLICATIONS

We, Randall W. Krafft, W. Edward Church, Sam E. J. Chan and King Sum Chu, in consideration of good and valuable consideration paid to each of the undersigned, agree to assign, and hereby do assign, transfer and set over to Questech International, Inc., a corporation of the state of Florida, whose address is 3810 Gunn Hwy., Tampa, Florida 33624 (hereinafter designated as the Assignee), the entire right, title and interest in and to the invention known as "BACKLIGHTING FOR COMPUTER KEYBOARD", for which the undersigned have filed a provisional application for patent in the United States of America on November 13, 1998, given Serial No. 60/108,310, have filed a conventional utility application in the United States of America on November 12, 1999 (executed December 2-6, 1999), and have filed an international application in the United States PCT Receiving Office on November 12, 1999, given application No. PCT/US99/27065, and for which national applications, based on PCT/US99/27065, have been filed/are being filed in China, Hong Kong, Korea, Japan, Europe and the United States (U.S. Serial Number 09/831777). Assignors hereby give the office of Pedersen & Company, PLLC permission to fill in dates of execution/filing and the serial numbers, if necessary.

1) The undersigned agree to execute all papers necessary or convenient in connection with each application to protect the invention, and any continuation, continuation-in-part, or divisional applications thereof, and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

2) The undersigned agree to execute all papers necessary or convenient in connection with any interference which may be declared concerning any application relating to the invention, or any continuation, continuation-in-part, or division thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with any such interference.

3) The undersigned agree to execute all papers and documents and perform any act which may be necessary or convenient in connection with claims or provisions of foreign patent offices, including those operating under the Patent Cooperation Treaty, International Convention for Protection of Industrial Property or similar treaties or agreements.

4) The undersigned agree to perform all affirmative acts which may be necessary or convenient to obtain grants of valid patents to the Assignee relating to the invention.

5) The undersigned hereby authorize and request the Commissioner of Patents and Trademarks, and all equivalent foreign patent office officials, to issue any and all Letters Patents resulting from said applications or any continuation, continuation-in-part, or divisional applications thereof, to the said Assignee, as Assignee of the entire interest, and hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.

(Questech. Assignment of Backlighting Keyboard)

6) The undersigned hereby grant the Assignee and its duly authorized representatives the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, and any equivalent foreign patent office, for recordation of this document.
