and for other valuable and sufficient consideration, receipt
whereof is hereby acknowledged, we hereby sell, assign and
convey, unto Assignee, its successors and assigns, my entire
right, title and interest -

(1) in and to an invention entitled "SURFACE
TREATMENT OF PREFINISHED VALVE SEAT INSERTS" for which we have
executed a Declaration and Power of Attorney for Patent
Application for a United States patent application (Attorney
Docket No. 51005/9016);

(2) in and to said United States patent
application, in and to all other patent applications
(including divisional, continuation, continuation-in-part,
§111(b) provisional, §111(a), and reissue applications) based
upon said invention (including United States provisional
patent application No. 60/089,085, filed June 12, 1998, and
entitled "HARDENED PREFINISHED VALVE SEAT INSERTS AND METHOD
OF MAKING SAME"), and in and to the patent or patents to be
granted thereon, including reissues thereof, if any, to the
full end of the term or terms for which said patent or patents
may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of my Assignee and may include a claim to priority based on a United States application(s) based upon said invention.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said United States patent or patents to Assignee.
