ASSIGNMENT OF PATENTS

TO ALL WHOM IT MAY CONCERN, be it known:

WHEREAS, Videk, LLC, a limited liability company duly organized and existing under the laws of the State of New York, and having a place of business at 2200 Brighton-Henrietta Townline Road, Rochester, New York 14623 (the "Assignor") has obtained United States Patents and patents in Japan for certain inventions (the "Patents") and has filed applications for United States Patents for certain inventions (the "Applications"), all as set forth on Exhibit A hereto); and

WHEREAS, Videk, Inc., a corporation duly organized and existing under the laws of the State of New York, and having a place of business at 2200 Brighton-Henrietta Townline Road, Rochester, New York 14623 (the "Assignee"), desires to acquire any and all rights that the Assignor may have in and to the inventions and to the Patents, and to the Applications and any and all patents which may be granted therefore, along with the right to recover for damages and profits for past infringements thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor does hereby assign and transfer onto the Assignee all right, title and interest in and to the Patents and the Applications and any and all patents which may be granted therefor; together with the right to recover for damages and profits for past infringements thereof;

The Assignor agrees to execute and deliver at the request of the Assignee, all papers, instruments and assignments, and to perform any other reasonable acts the Assignee may require in order to vest all Assignor's right, title and interest in and to the Patents and the Applications in the Assignee and to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of Assignor.
