ASSIGNMENT

For valuable consideration, we, JOHN MOORES, JR. of Rancho Santa Fe, California and a citizen of the United States of America; ROB ZEPS of San Diego, California and a citizen of the United Kingdom; NASHINA ASARIA of San Diego, California and a citizen of Kenya; REBECCA KRAMER of San Diego, California and a citizen of the United States of America; MARK JAMES of San Diego, California and a citizen of the United States of America; MARTIN FRANKLIN of San Diego, California and a citizen of the United Kingdom; KURT KREMER of Cardiff, California and a citizen of the United States of America; and PERTTI VISURI of Fallbrook, California and a citizen of the United States of America (hereinafter referred to as "Assignors") hereby assign to TABULA RASA, INC., a corporation organized and existing under and by the virtue of the laws of the State of Delaware and having a place of business, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the invention and improvements which are the subject of an application for United States Patent filed herewith, entitled **METHOD AND APPARATUS FOR FACILITATING PERSONAL ATTENTION VIA WIRELESS NETWORKS**, and related applications and patents, this assignment including said application, any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application and based on the filing date of any provisional application of which said application claims the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to us, to testify in any interference or litigation related to said invention or application

and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

The Assignors hereby covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.
