PATENT ASSIGNMENT

This Assignment is made by, Assignors, **ACCUMETRICS, INC.**, having an address at 3985 Sorrento Valley Blvd., San Diego, California 92121, United States of America, to, Assignees, **SENDX MEDICAL, INC.**, having an address at 1945 Palomar Oaks Way, Carlsbad, California 92009, United States of America.

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to said inventions, said applications and any Letters Patent that may be granted for said inventions in the United States and throughout the world listed in Schedule A attached hereto;

Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to said inventions, said applications and any Letters Patent that may be granted for said inventions in the United States and throughout the world and listed in Schedule A, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, or Assignors' legal representatives and assignees, will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing any Letters Patent in the United States and throughout the world for said inventions listed in Schedule A, and for perfecting, recording or maintaining the title of Assignee, its successors and assignees, to the interest assigned herein to said inventions listed in Schedule A, said applications and any Letters Patent granted for said inventions in the United States and throughout the world listed in Schedule A.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the assignment herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said

inventions listed in Schedule A, whether on said applications or on any subsequently filed divisions, continuations, continuation-in-parts or reissue applications, to Assignee, its successors and assignees, as the Assignee of the entire interest in said inventions listed in Schedule A.

Assignors agree that this assignment is effective as of July 6, 2001. I have read and understand this Assignment document for the US Patent matters listed in Schedule A attached hereto and agree, as indicated by my signature as set forth below.

This Assignment is effective as of July 6, 2001.

Executed in San Diego this 9 day of _____ 2001.
