ASSIGNMENT

WHEREAS, I, MAARTEN VAN SEVEREN, a citizen of Belgium, residing at Galgenberg 25, Gent, Belgium B-9000, as assignor, has invented a new and original design for a CHAISE, for which an application for United States design patent has been filed in the United States Patent and Trademark Office on March 16, 2001 and given U.S. Serial No. 29/138,589.

WHEREAS, VITRA PATENTE AG, a corporation duly organized and existing under the laws of Switzerland having a principal place of business at Klünenfeldstrasse 22, CH-4132 Muttenz, Switzerland, as assignee, is desirous of acquiring all right, title and interest in and to said invention, said design application and any patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor, hereby sell, assign and set over to said assignee the entire right, title and interest in and for the United States of America in and to said invention and the aforesaid application for design patent, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said design application and/or applications resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the undersigned, for him and his legal representatives, heirs and assigns, does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for patent on said invention and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said assignee, its successors, assigns and nominees in obtaining patent protection on said invention in the United States of America, the expenses incident to said applications to be borne and paid by said assignee.

Date: 15/08/01.
