ASSIGNMENT OF PATENT

This Agreement for assignment of patent is made this 17th day of July, 2001, effective July 17, 2001, by and between **Joseph E. Marler** ("Assignor"), with address of P. O. Box 1240, Livingston, Louisiana 70754 and **Jem One Holdings, LLC** ("Assignee"), with address of 15635 Airline Highway, Baton Rouge, Louisiana 70817.

For good and valuable consideration paid and delivered by Assignee to Assignor, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee and the successors, assigns and legal representatives of the Assignee, the entire right, title and interest, for all the United States and its territorial possessions and in all foreign countries, including all rights to claim priority, in and to any and all improvements which are disclosed in the following inventions, and in and to all Letters Patent to be obtained for said inventions by any continuation, division, renewal, or substitute thereof, and as to letters patent any re-issue or re-examination thereof:

<u>Patent No.</u>	<u>Issue Date</u>	<u>Description</u>
5,762,389	June 19, 1998	Apparatus for latching and unlatching a load suspended from a lifting line
5,791,710	August 11, 1998	Apparatus for latching and unlatching a load suspended from a lifting line
6,024,294	February 15, 2000	Apparatus with a centering member for latching and unlatching a load suspended from a lifting line

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which could or will conflict with this assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Patent and legal equivalence as may be known and accessible to Assignor and will testify as to the same in any interference, litigation or proceeding related thereto and would promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to obtain, maintain, issue and enforce said application, said invention and Letters Patent and equivalence thereto which may be necessary or desirable to carry out the purposes thereof.

IN WITNESS WHEREOF, this Agreement for Assignment of Patent has been entered, effective as of the date first set forth above.
