(COPYRIGHT SECURITY AGREEMENT)  
(PATENT SECURITY AGREEMENT)  
(TRADEMARK SECURITY AGREEMENT)

This Second Reaffirmation and Amendment Agreement (this "Agreement") is dated as of July 23, 2001 and entered into by and between Oshkosh Truck Corporation (the "Borrower") and Bank of America, N.A. (f/k/a Bank of America National Trust and Savings Association; "BofA"), as agent (the "Agent").

WITNESSETH:

WHEREAS, the Borrower entered into that certain Credit Agreement dated as of February 26, 1998 (the "Original Credit Agreement") with the financial institutions party thereto (the "Lenders") and the Agent;

WHEREAS, in connection with the execution and delivery of the Original Credit Agreement, the Borrower and the Agent entered the Copyright Security Agreement (the "Copyright Security Agreement"), the Patent Security Agreement (the "Patent Security Agreement") and the Trademark Security Agreement (the "Trademark Security Agreement" and together with the Copyright Security Agreement and the Patent Security Agreement, the "IP Security Agreements"), each dated as of February 26, 1998;

WHEREAS, the Borrower, the Agent and the Lenders entered into that certain Amended and Restated Credit Agreement dated as of September 28, 2000 (the "Prior Credit Agreement");

WHEREAS, in connection with the execution and delivery of the Prior Credit Agreement, the Borrower and Agent entered into the Reaffirmation and Amendment Agreement dated as of September 28, 2000 to reaffirm for the benefit of the Agent and the Lenders its obligations and covenants under the IP Security Agreements and amend the IP Security Agreements as therein set forth, among other things;

WHEREAS, the Borrower, the Agent and the Lenders are entering into that certain Second Amended and Restated Credit Agreement of even date herewith (the "Credit Agreement");

WHEREAS, in connection with the consummation of the transactions contemplated by the Credit Agreement, (a) the Borrower desires to reaffirm for the benefit of the Agent and the Lenders its obligations and covenants under the IP Security Agreements and (b) the Borrower and the Agent desire to amend the IP Security Agreements as herein set forth;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Defined Terms. Capitalized terms used herein and not otherwise defined herein shall have the meanings attributed to such terms in the Credit Agreement.

2. Reaffirmation of IP Security Agreements. Notwithstanding the transactions contemplated by the Credit Agreement, the Borrower hereby fully and unconditionally reaffirms, ratifies and confirms (i) in all respects each and every obligation and covenant made by it in the IP Security Agreements (each as amended by this Agreement), which include, without limitation, the grant of Liens in all of the Borrower's interests in the copyrights, patents and trademarks owned or licensed by it as security for the payment and performance of the Secured Obligations, (ii) that, after giving effect to this Agreement, all of its representations and warranties made in the IP Security Agreements remain true and correct as of the date of this Amendment (except to the extent that such representations or warranties are expressly made only as of another specific date), (iii) that the IP Security Agreements remain the legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their respective terms and that such obligations shall not be discharged by any modification, extension, renewal or amendment of the terms of the Prior Credit Agreement, the Credit Agreement or the other Loan Documents and (iv) that there are no defenses, counterclaims or set-offs to the IP Security Agreements or the Borrower's covenants, agreements, liabilities and obligations thereunder and that any such defenses, counterclaims or set-offs are hereby expressly waived. Subject to the terms and conditions of this Agreement, each party hereto agrees that effective as of the date hereof, as used in the IP Security Agreements and all related documents and agreements, each reference to "Credit Agreement" shall mean a reference to the Credit Agreement as the same is amended, supplemented, restated or otherwise modified from time to time.

3. Amendments to IP Security Agreement. (a) The Recitals to each of the IP Security Agreements are hereby amended by deleting Recital A in its entirety and replacing it with the following:

A. Pursuant to the Credit Agreement dated as of the date hereof and amended and restated as of September 28, 2000, and amended and restated as of July 23, 2001, among the Debtor, the financial institutions from time to time party thereto (the "Lenders") and the Agent (as further amended, supplemented, restated or modified from time to time, the "Credit Agreement"), the Lenders have agreed to extend certain credit to the Debtor.

(b) Exhibits A, B and C to the IP Security Agreements are hereby supplemented with the attached, complete listing of all intellectual property of the Borrower, provided, however, within 15 Business Days of the date hereof, the Borrower shall provide the Agent with current Exhibits A, B and C to each of its IP Security Agreements, as of the date hereof, to the extent necessary to reflect changes to the information identified in the existing Exhibits A, B and C to the Borrower's IP Security Agreements.

4. Reference to and Effect on the IP Security Agreements.

4.1 Upon the effectiveness of this Agreement, on or after the date hereof each reference in the IP Security Agreements to "this Agreement," "hereunder," "hereof," "herein" or words of like import and each reference to the applicable Amended Agreement in each Loan Document shall mean and be a reference to the applicable Amended Agreement as amended hereby.

4.2 The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of the Agent under the Security Agreement.

5. CHOICE OF LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF ILLINOIS, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

6. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
