Attorney Docket No. HB 2 US

ASSIGNMENT

WHEREAS, I, Lars Peter Klitnøse, a citizen of Denmark, the ASSIGNOR, have created a certain invention entitled:

A Medication Delivery Device With Replaceable Cooperating Modules and a Method of Making Same

for which I have made an application for Letters Patent of the United States, which application:

- ☐ is attached hereto, or
☒ which was filed on May 29, 2001 and assigned Serial No. 09/867,277; and

WHEREAS, Novo Nordisk A/S, ASSIGNEE, a corporation organized and existing under the laws of the State of Denmark and having offices for the transaction of business at Novo Allé, DK-2880 Bagsværd, Denmark, is desirous of obtaining my entire right, title and interest in, to and under the said invention and the said application;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said ASSIGNOR, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, my entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations or continuations-in-part thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
