# ASSIGNMENT

(For Execution After Filing Patent Application)

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we,  
the undersigned, Christopher J. Cormack, Jeff R. Jackson, and Jeremy A. White,  
hereby sell, assign, and transfer to Intel Corporation  
a corporation of Delaware, having a principal place of  
business at 2200 Mission College Blvd., Santa Clara, California 95052,  
("Assignee"), and its successors, assigns, and legal representatives, the entire right, title, and  
interest for the United States and all foreign countries, in and to any and all improvements that  
are disclosed in the application for the United States patent that was filed June 19, 2001, and  
assigned Application No. 09/885,234 and is entitled:

## METHOD AND APPARATUS FOR AUTHENTICATING REGISTRY INFORMATION

and in and to said application and all divisional applications, continuation applications,  
continued prosecution applications, continuation-in-part applications, substitute applications,  
renewal applications, reissue applications, reexaminations, extensions, and all other patent  
applications that have been or shall be filed in the United States and all foreign countries on any  
of said improvements; and in and to all original patents, reissued patents, reexamination  
certificates, and extensions that have been or shall be issued in the United States and all foreign  
countries on said improvements; and in and to all rights of priority resulting from the filing of  
said United States application;

agree that said Assignee may apply for and receive a patent or patents for said  
improvements in its own name; and that, when requested, without charge to, but at the expense  
of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the  
intent and purpose of this Assignment, the undersigned will execute all divisional applications,  
continuation applications, continued prosecution applications, continuation-in-part applications,  
substitute applications, renewal applications, reissue applications, reexaminations, extensions,  
and all other patent applications on any and all said improvements; execute all rightful oaths,  
assignments, powers of attorney, and other papers; communicate to said Assignee, its successors,  
assigns, and representatives all facts known to the undersigned relating to said improvements  
and the history thereof; and generally assist said Assignee, its successors, assigns, or  
representatives in securing and maintaining proper patent protection for said improvements and  
for vesting title to said improvements, and all applications for patents and all patents on said  
improvements, in said Assignee, its successors, assigns, and legal representatives; and
