WHEREAS, we, Brian Jou, Lynn A. Adler, Robert L. Bing, James M. Boyle, Clare K. Briody, Ian K. Emery, Brian A. Moran and Kenneth Mascio as assignors, have invented certain improvements in SYSTEM AND METHOD FOR MULTICURRENCY AND MULTIBANK PROCESSING OVER A NON-SECURE NETWORK for which an application Serial No. 09/439,020 for United States Letters Patent has been executed by me of even date herewith; and

WHEREAS, The Chase Manhattan Bank, a corporation organized and existing under the laws of the State of Delaware and having a principal place of business at 270 Park Avenue, 41st floor, New York, New York 10036, as assignee, is desirous of acquiring all right, title and interest in and to said invention and any Patent that may be granted therefor.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor, hereby sell, assign and set over to said assignee the entire right, title and interest for the United States and all other countries in and to said invention and the aforesaid application for Patent, all original, divisional, continuation, substitute or reissue applications and patents applied for or granted therefor in the United States and all other countries, including all rights of priority from the filing of said application, and all rights for past infringement, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said inventions or resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the undersigned for myself and my legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications for Patent on said inventions and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said inventions, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to assist assignee, its successors, assigns and nominees to obtain patent protection for said invention in the United States and all other countries, the expenses incident to said applications to be borne and paid by said assignee.
