Inventor: Aaron S. Giles

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, and acting pursuant to the Technology Transfer and Development Agreement effective as of March 12, 2001 ("Agreement"; unless otherwise defined herein, capitalized terms shall be used herein as defined in the Agreement) by and between Connectix and **Sony Computer Entertainment Inc.**, a Japanese corporation, with an office located at 1-1, Akasaka 7-chome, Minato-ku, Tokyo 107-0052 Japan ("SCEI"), Connectix has sold, assigned, transferred and conveyed and does hereby sell, assign, transfer and convey to SCEI, its successors and assigns, the entire right, title and interest in and to the '054 Patent and all divisions, continuations, continuations-in-part and renewals thereof, and all Patents of the United States which may be granted thereon and all reissues, re-examinations and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for an invention described in any of the foregoing applications in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; together with all claims for damages by reason of past infringement, with the right to sue for, and collect the same for the use of SCEI, its successors and assigns.

Connectix hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to SCEI, its successors, legal representatives and assigns, in accordance with the terms of this instrument. This Assignment shall not be construed to expand, defeat, impair or limit the rights or remedies of the parties under the Agreement.

**Exhibit A
(Assignment of the '054 Patent)**

Connectix hereby covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

IN TESTIMONY WHEREOF, this Assignment is executed this

27th day of July, 2001.
