**PATENT**

**ASSIGNMENT**

WHEREAS we, the below named assignors [hereinafter referred to as Assignors], are joint inventors together with William J. Benton, a citizen of the United Kingdom, residing at 16723 Cimmaron, Magnolia, TX 77355, U.S.A., and Edward E. Miller, a citizen of the United States of America, residing at 6417 Ranier Road, Plano, Texas 75023, U.S.A., of an invention entitled:

**HYDROPHOBE ASSOCIATIVE POLYMERS AND COMPOSITIONS AND MEHTODS EMPLOYING THEM**

for which an application for United States Letters Patent, filed on 30 July 2001, as Serial No. 09/918,410 (and each of us authorizes our legal representative to fill in the appropriate serial number once it is assigned by the United States Patent and Trademark Office); and

WHEREAS, HALLIBURTON ENERGY SERVICES, INC., a corporation of Delaware, United States, whose post office address is 6700 Portwest Drive, Houston, Texas 77024-8005, (hereby referred to as Assignee), is desirous of securing Assignor's entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and all Letters Patent to be issued for this application and the inventions described in and/or covered by this application;

NOW THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration the receipt of which from Assignee is hereby acknowledged, we, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this application and the inventions covered thereby and/or described therein, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may hereafter be filed for this invention in the United States of America and any foreign country and all Letters Patent which may be granted on this application and/or for the inventions covered thereby and/or described therein in the United States of America and any foreign country, and all extensions, renewals, and reissues thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that we will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all non-provisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, we have hereunto set our hands.
