ASSIGNMENT OF APPLICATION

Whereas, I, Gary A. Carner, a citizen of the United States residing in Jamesville, New York, hereafter referred to as applicant, have invented certain new and useful improvements in APPARATUS AND METHOD FOR WIRELESS CONTROL for which an application for a United States Patent was executed on Oct 5, 2001 and,

Whereas, Enernet Corporation of Dewitt, New York, herein referred to as "assignee," whose post office address is 307 Dewittshire Road, Dewitt, New York 13214 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of One dollar (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States, I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Executed this 5th day of October, 2001, at _____.
