A S S I G N M E N T

WHEREAS, we, Dave H. Rosenberg and Michael S. Melnicki, residing respectively at 1104 Anza Street, San Francisco, California 94118 and 350 2nd Ave. Apt 2, San Francisco, California 94118, have made an invention entitled:

SYSTEMS AND METHODS FOR AUTOMATICALLY
PROVISIONING WIRELESS SERVICES ON A WIRELESS DEVICE

and have made an application for United States Letters Patent therefor, the same being assigned U.S. patent application Serial No. 09/905,089 with a filing date of July 12, 2001; and

WHEREAS, OMNISKY CORPORATION, a corporation organized and existing under the laws of the State of Delaware and having a place of business at One Market Street, Steuart Tower, Suite 600, San Francisco, California 94105, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) paid, and other good and valuable consideration, the receipt of sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said OMNISKY CORPORATION, its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereof for all countries of the world, and in and to said United

States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and including the right to claim priority under the International Convention based on said patent application, and any patent which may issue thereon, and any reissues of the same; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same;

and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said OMNISKY CORPORATION as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names on the dates indicated hereinafter.
