(f) All of the Collateral is located at the Borrower's address as set forth in the caption hereof.

(g) This Agreement, together with the filing of Uniform Commercial Code financing statements in the appropriate offices for the locations of Collateral listed in this Agreement, create a valid and continuing first lien on and perfected security interest in the Collateral (except for property located in the United States in which a security interest may not be perfected by filing under the Uniform Commercial Code), prior to all other Encumbrances, and is enforceable as such against creditors of the Debtor, any owner of the real property where any of the Collateral is located, any purchaser of such real property and any present or future creditor obtaining a lien on such real property. Other than as disclosed in the Credit Agreement, no financing statement under the Uniform Commercial Code of any state or other instrument evidencing a lien that names the Debtor as debtor is on file in any jurisdiction and the Debtor has not signed any such document or any agreement authorizing the filing of any such financing statement or instrument.

(h) The Debtor will not sell, grant, assign or transfer any interest in, or permit to exist any Encumbrance on, any of the Collateral other than in favor of the Secured Party or its affiliates, except for sales of Inventory or grants of licenses and other rights in the ordinary course of the Debtor's business for cash or on open account and on terms of payment ordinarily extended to its customers. The Debtor shall defend its title to and the Secured Party's interest in the Collateral against all claims and take any action necessary to remove any encumbrances other than those permitted hereunder and defend the right, title and interest of the Secured Party in and to any of the Debtor's rights in the Collateral.

(i) The Debtor will at all reasonable times allow the Secured Party to examine, inspect or make extracts from or copies of the Debtor's books and records, inspect the Collateral and arrange for verification of Accounts constituting Collateral directly with the Debtor's accountants, the account debtors or by other methods.

4. Covenants. The Borrower covenants and agrees that from and after the date of this Security Agreement and until the Obligations are fully satisfied:

(a) Location of Collateral. The Collateral will be kept only in California and the Borrower will not remove the Collateral from such jurisdiction without the prior written consent of the Secured Party.

(b) Further Documentation: Pledge of Instruments. At any time and from time to time, at its sole expense, the Borrower will, promptly upon request by the Secured Party, duly execute and deliver any and all such further instruments and documents and take such further action as Secured Party may reasonably deem desirable in obtaining the full benefits of this Security Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the UCC in effect in any jurisdiction with respect to the liens and security interests granted hereby. The Borrower also hereby authorizes the Secured Party to file any such financing or continuation statement without the signature of the Borrower or to file a photocopy of this Agreement as a financing statement to the extent permitted by applicable law. If any Collateral, or if any amount payable under or in connection with any of the Collateral, shall be or become evidenced by any negotiable document of title, or by any promissory note or other instrument, such document, note or instrument shall be immediately delivered to the Secured Party hereunder, duly endorsed in a manner satisfactory to the Secured Party.

(c) Limitation on Liens on Collateral. The Borrower will not create, permit or suffer to exist any Encumbrance

against the Collateral except the Encumbrance granted to the Secured Party herein or as otherwise permitted under the Credit Agreement.

(d) Limitations on Dispositions of Inventory and Equipment. The Borrower will not sell, transfer, lease or otherwise dispose of any of its interest in the Collateral or attempt, offer or contract to do so, except for the disposition in the ordinary course of business of Equipment that has become worn out or obsolete or is immaterial and unnecessary in Borrower's business operation and of Inventory. The Borrower will not transfer any Inventory on consignment, or attempt, offer or contract to do so.

(e) Notices Regarding Collateral. The Borrower will advise the Secured Party promptly, in reasonable detail, (i) of any lien or claim made or asserted against any of the Collateral, (ii) of any material change in the composition of the Collateral, (iii) of all material disputes, and the basis therefor, and (iv) of the occurrence of any other event that would have a material adverse effect on the Collateral taken as a whole or on the security interests created hereunder.

(f) Right of Inspection. The Borrower will permit the Secured Party and its representatives at all reasonable times to enter into and upon any premises where any of the Collateral is located for the purpose of inspecting the same, observing its use or otherwise protecting the Secured Party's interests therein.

(g) Indemnification. In any suit, proceeding or action brought by the Secured Party under any Accounts, Instruments and Documents, or any General Intangibles for any sum owing thereunder or to enforce any provision thereof, the Borrower will save, indemnify and keep the Secured Party harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim, recoupment or reduction or liability whatsoever of the obligee thereunder arising out of a breach by the Borrower of any agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from the Borrower, and all such obligations of the Borrower shall be and remain enforceable against the Borrower and shall not be enforceable against the Secured Party.

(h) Maintenance of Records. The Borrower will keep and maintain, at Borrower's address as first written above and at its own cost and expense, satisfactory and complete records of the Collateral, including, without limitation, a record of all payments received and all credits granted with respect to the Collateral and all other dealings with the Collateral. The Borrower will mark its books and records pertaining to the Collateral to evidence this Security Agreement and the security interests granted hereby. For the Secured Party's further security,

he Borrower agrees that the Secured Party shall have a special property interest in all of its books and records pertaining to the Collateral (including, without limitation, customer lists, correspondence with present or future or prospective suppliers or customers, advertising materials, credit files, computer tapes, programs, printouts, and all other computer materials, records and electronic data processing software), and after demand the Borrower will deliver and turn over any such books and records to the Secured Party or to its representatives at any reasonable time on demand of the Secured Party. The Borrower may make copies of such books and records before its delivery to the Secured Party, provided that such copying does not unreasonably delay such delivery.

(i) Protect Rights of Secured Party. The Borrower will, upon the Secured Party's written request, defend the right, title and interest of the Secured Party in and to any of the Collateral against the claims and demands of all Persons whomsoever.

(j) Maintenance of Insurance. The Borrower will maintain with financially sound and reputable companies satisfactory to the Secured Party insurance policies (i) insuring the Inventory and Equipment against loss by fire, explosion, theft and such other casualties as are usually insured against by companies engaged in the same or similar businesses and (ii) insuring the Borrower and the Secured Party against liability for personal injury and property damage relating to the Inventory and Equipment, such policies to be in such form and in such amounts and coverage as may be reasonably satisfactory to the Secured Party, with losses payable, in the case of casualty policies, to the Borrower and the Secured Party as their respective interests may appear. All property, fire and casualty insurance policies with respect to the tangible collateral shall (i) provide that no cancellation, reduction in amount or change in coverage thereof shall be effective until at least thirty (30) days after receipt by the Secured Party of written notice thereof; (ii) waive any right of subrogation of the insurer against, or any right of set-off, counterclaim or any other deduction in respect of any liability of, the Secured Party to such insurer; and (iii) be otherwise satisfactory in all respects to the Secured Party; and Borrower shall promptly provide Secured Party copies of any notices to the Borrower of any default or other act or omission by the Borrower which might invalidate or render unenforceable, in whole or in part, such policy or result in the lapse thereof, in whole or in part. Each policy carried in accordance with this subsection (j) shall be primary without right of contribution from any other insurance policy which is carried by the Borrower to the extent that such other insurance policy provides the Borrower with contingent or excess liability insurance with respect to its interest in the insured property and shall expressly provide that all of the provisions thereof, except the

limits on liability, shall operate in the same manner as if there were a separate policy covering each insured. The Borrower shall, if so requested by the Secured Party, deliver to the Secured Party as often as the Secured Party may reasonably request a report of a reputable insurance broker with respect to the insurance on the tangible Collateral. All such insurance proceeds received by the Secured Party may be applied by the Secured Party in its discretion to the satisfaction of the Obligations or to repair or replace any Collateral which sustained the casualty, except as otherwise required by applicable law.

(k) Further Identification of Collateral. The Borrower will furnish to the Secured Party from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Secured Party may reasonably request, all in reasonable detail.

(l) Maintenance of Equipment. The Borrower will keep and maintain each item of Equipment in good operating condition, ordinary wear and tear excepted, and the Borrower will provide all maintenance and service and all repairs necessary for such purpose.

(m) Equipment Not to Become Fixtures. The Borrower will prevent, by all reasonable action or actions as may be necessary, any of the Equipment from becoming fixtures under the laws of the jurisdiction where such Equipment is located. The Borrower will, if requested by the Secured Party, for its principal office, use best efforts to obtain waivers or subordinations of lien, in form satisfactory to the Secured Party, from each lessor, and each mortgagee of lessor whose mortgage was executed prior to the lease from such lessor, of real property on which any of the Collateral is or may be located and will perform all other reasonable acts the Secured Party may request to maintain such Collateral apart from any realty. ✓

(n) Assignment of Claims. If any of the Accounts arise out of contracts with the United States, or any state, or any department, agency or instrumentality of either, Borrower shall immediately so notify Secured Party and execute such instruments of assignment and take such other measures as may be required to assign such Accounts to Secured Party and provide proper notice thereof to the government under the Federal Assignment of Claims Act or any applicable state assignment of claims act.

(o) Further Assurances. The Borrower will promptly execute and deliver to the Secured Party such further deeds, mortgages, assignments, security agreements and other instruments, documents, certificates and assurances and take such further action as the Secured Party may from time to time in its

reasonable discretion deem necessary to perfect, protect or enforce the security interest of the Secured Party in the Collateral.

5. Secured Party's Appointment as Attorney-in-Fact.

(a) The Borrower hereby irrevocably constitutes and appoints the Secured Party and each officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Borrower and in the name of the Borrower or in its own name, from time to time, but only to be used after demand for the purpose of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives the Secured Party the power and right, on behalf of the Borrower, without notice to or assent by the Borrower to do the following after the occurrence of an Event of Default:

(i) to ask, demand, collect, receive and give acquittances and receipts for any and all moneys due and to become due to Borrower under any Account, or otherwise, and, in the name of the Borrower or its own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due to Borrower and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Secured Party for the purposes of collecting any and all such moneys due whenever payable;

(ii) to pay or discharge taxes or liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Security Agreement and to pay all or any part of the premiums therefor and the costs thereof; and

(iii) (A) to direct any party liable for any payment to Borrower under any Account, or otherwise, to make payment of any and all moneys due and to become due thereunder directly to the Secured Party or as the Secured Party shall direct; (B) to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral; (C) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other documents relating to the Collateral; (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any

collateral; (E) to defend any suit, action or proceeding brought against the Borrower with respect to any Collateral; (F) to settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as the Secured Party may deem appropriate; (G) after demand, to notify the postal authorities to change the address for delivery of any mail of the Borrower to an address designated by the Secured Party, and to receive, open, and dispose of all mail addressed to the Borrower; and (H) after demand, otherwise to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Secured Party were the absolute owner thereof for all purposes, and to do, at the Secured Party's option and the Borrower's expense, at any time or from time to time, all acts and things that the Secured Party deems necessary to protect, preserve or realize upon the Collateral and the Secured Party's security interests therein, in order to effect the intent of this Security Agreement, all as fully and effectively as the Borrower might do.

The Borrower hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

(b) The powers conferred on the Secured Party hereunder are solely to protect the interests of the Secured Party in the Collateral and shall not impose any duty or obligation upon the Secured Party to exercise any such powers. The Secured Party shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to the Borrower for any act or failure to act, except for its own willful misconduct taken or omitted in bad faith.

6. Performance by Secured Party of the Borrower's Obligations. If the Borrower fails to perform or comply with any of its agreements contained herein and the Secured Party, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the reasonable costs and expenses of the Secured Party incurred in connection with such performance or compliance shall be paid by the Borrower on demand and until so paid shall be added to the principal amount of the Loan and shall bear interest (calculated on the basis of a 360-day year for the actual days elapsed) at the same rate as provided in the Loan Documents for overdue amounts.

7. Events of Default. The occurrence of any Event of Default under the Credit Agreement, including, without limitation, a default hereunder shall constitute an Event of Default hereunder. ✓

8. Remedies, Rights Upon Default. If an Event of Default occurs:

(a) (i) All payments received by the Borrower under or in connection with any of the Collateral shall be held by the Borrower in trust for the Secured Party, shall be segregated from other funds of the Borrower and shall forthwith upon receipt by the Borrower be turned over to the Secured Party, in the same form as received by the Borrower (duly endorsed by the Borrower to the Secured Party, if required).

(ii) Any and all such payments so received by the Secured Party (whether from the Borrower or otherwise) shall be held by the Secured Party as collateral security for, and then or at any time thereafter, may be applied in whole or in part for the benefit of the Secured Party against, all or any part of the Obligations in such order as the Secured Party, in its discretion, may determine.

(iii) The Secured Party shall have the right to seize and take possession of any Collateral (or any paper, documents, correspondence, computer tapes, programs, printouts and all other computer materials, records and electronic data processing software relating to the Collateral) and may enter the premises where they, or any of them, are located and occupy all or any portion of Debtor's premises without charge therefor for the purposes of effecting such seizure. The Secured Party shall not be liable to the Borrower for any damage suffered by the Borrower by reason of such entry or seizure unless it results from the Secured Party's willful misconduct committed in bad faith.

(iv) The Secured Party may hire and maintain at the Borrower's principal office premises a custodian or independent contractor selected by the Secured Party who shall have full authority to do all lawful acts necessary to protect the Secured Party's interests and to report to the Secured Party thereon. The Borrower hereby agrees to cooperate with any such Person and to do whatever the Secured Party may reasonably request to preserve the Collateral.

(b) The Secured Party may exercise, after the occurrence of an Event of Default, for the benefit of the Secured Party, in addition to all other rights and remedies granted in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, the Borrower expressly agrees that in any such event the Secured Party may, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or on the Borrower or any other Person, all and each of which demands, advertisements and/or notices are (to the

extent permitted by applicable law) hereby expressly waived, forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, forthwith take possession and operate or use the Collateral or any part thereof for the purpose of preserving it or its value, and/or forthwith sell, lease, assign, give option or options to purchase, or sell or otherwise dispose of and deliver the Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange or broker's board or at any of the Secured Party's offices or elsewhere, at such prices as it may deem appropriate, for cash or on credit or for future delivery without assumption of any credit risk. Secured Party shall have the right on any such public sale or sales and, to the extent permitted by law, on any such private sale or sales to purchase the whole or any part of said Collateral so sold, free of any right or equity of redemption in the Borrower, which right or equity is (to the extent permitted by applicable law) hereby expressly waived or released. The Borrower further agrees, at the Secured Party's request, to assemble the Collateral and make it available to the Secured Party at places that the Secured Party shall reasonably select, whether at the Borrower's premises or elsewhere. To the extent permitted by applicable law, the Borrower waives all claims, damages and demands against the Secured Party arising out of the repossession, retention, sale, or other disposition of the Collateral unless resulting from such Secured Party's willful misconduct committed in bad faith. The Borrower agrees that the Secured Party need not give more than ten (10) days' notice (which notification shall be deemed given when mailed) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. No notification need be given to the Borrower if it has signed, after demand, a statement renouncing or modifying any right to notification of sale or other intended disposition. The Borrower shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which the Secured Party is entitled, the Borrower also being liable for the fees and expenses of any attorneys employed by Secured Party to collect such deficiency. The Secured Party shall have the right, in its sole discretion, to determine which rights, security, liens, guaranties or remedies the Secured Party shall retain, pursue, release, subordinate, modify, or enforce, without in any way modifying or affecting any of the other of them or any of its rights hereunder.

(c) To the extent that it may lawfully do so, the Borrower agrees that it will not at any time insist upon, plead or in any manner whatsoever claim or take the benefit or advantage of any appraisement, valuation, stay, extension or redemption laws, or any law permitting it to direct the order in which the Collateral or any part thereof shall be sold, now or at any time hereafter in force, which may delay, prevent or otherwise affect

the performance or enforcement of this Security Agreement or the Obligations and hereby expressly waives all benefit or advantage of any such laws and covenants that it will not hinder, delay or impede the execution of any power granted or delegated to the Secured Party in this Security Agreement, but will suffer and permit the execution of every such power as though no such laws were in force.

(d) To the extent not expressly provided for herein the Secured Party shall also have all of its rights and remedies under the Credit Agreement.

(e) Borrower shall be responsible for any and all reasonable expenses, including reasonable attorneys' fees and expenses, incurred or paid by Secured Party in protecting or enforcing any rights of Secured Party hereunder, including its right to take possession, store, operate, use and dispose of the Collateral or to collect the Proceeds thereof. Secured Party shall also have the right to pay all other sums deemed necessary or desirable by it for the preservation and protection of the Collateral, or for the realization thereupon, including taxes, insurance, salaries (directly related to the preservation or use of the Collateral or continued operation of the Borrower's businesses to that end), fees and costs. All such sums so paid by Secured Party shall be "Obligations" within the meaning of this Security Agreement, due upon demand.

(f) In the event that after demand, the Secured Party receives any monies in connection with the enforcement of any of the Security Documents, or otherwise with respect to the realization upon any of the Collateral, such monies shall be distributed for application as follows:

- (i) First, to the payment of, or (as the case may be) the reimbursement of the Secured Party for or in respect of all reasonable costs, expenses, disbursements and losses which shall have been incurred or sustained by the Secured Party in connection with the collection of such monies by the Secured Party, for the exercise, protection or enforcement by the Secured Party of all or any of the rights, remedies, powers and privileges of the Secured Party under this Agreement or any of the other Loan Documents or in respect of the Collateral or in support of any provision of adequate indemnity to the Secured Party against any taxes or liens which by law shall have, or may have, priority over the rights of the Secured Party to such monies;
- (ii) Second, to all other Obligations in such order or preference as the Secured Party may determine; and

provided further that the Secured Party may in its discretion make proper allowance to take into account any Obligations not then due and payable;

- (iii) Third, upon payment and satisfaction in full or other provisions for payment in full satisfactory to the Secured Party of all of the Obligations, to the payment of any obligations required to be paid pursuant to 9-504(1)(c) of the UCC; and
- (iv) Fourth, the excess, if any, shall be returned to the Borrower or to such other Persons as are entitled thereto.

9. Limitation on Secured Party's Duty in Respect to Collateral. Beyond the safe custody thereof, the Secured Party shall have no duty as to any Collateral in its possession or its nominee's or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. In any suit, proceeding or action brought by Secured Party under any Accounts, Instruments and Documents, or any General Intangibles for any sum owing thereunder or to enforce any provision thereof, Borrower will save, indemnify and keep Secured Party harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim, recoupment or reduction or liability whatsoever of the obligee thereunder arising out of a breach by Borrower of any agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from Borrower, and all such obligations of Borrower shall be and remain enforceable against Borrower and shall not be enforceable against Secured Party.

10. Setoff.

(a) In addition to any rights and remedies of Secured Party provided by law, Secured Party shall have the right, without prior notice to Borrower, any such notice being expressly waived by Borrower to the extent permitted by applicable law, and regardless of the adequacy of any collateral at any time after the occurrence of an Event of Default, to set off and apply against any indebtedness, whether matured or unmatured, of Borrower to Secured Party, any amount owing from Secured Party to Borrower, and such right of setoff may be exercised by Secured Party against Borrower or against any bankruptcy trustee, debtor-in-possession, assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor of Borrower, or against anyone else claiming through or against Borrower or such person. ✓

(b) As security for the due payment and performance of all of Borrower's Obligations to Secured Party now in existence or hereafter arising, including, without limitation, Borrower's

obligations hereunder, under the Note and under the other Loan Documents, Borrower hereby grants to Secured Party a lien on any and all deposits or other sums at any time credited by or due from Secured Party and any affiliate of Secured Party to Borrower, whether in regular or special depository accounts or otherwise, and any and all moneys, securities and other property of Borrower, and the proceeds thereof, now or hereafter held or received by or in transit to Secured Party from or for Borrower, whether for safekeeping, custody, pledge, transmission, collection or otherwise, and any such deposits, sums, moneys, securities and other property, may at any time, after the occurrence of an Event of Default, be set off, appropriated and applied by Secured Party against any of such Obligations, whether or not any of the Obligations is then due or is secured by any other collateral, or, if it is so secured, whether or not the other collateral held by Secured Party is considered to be adequate. ✓

11. Notices. Except as otherwise specified herein, all notices, requests, demands or other communications to or on the Borrower or the Secured Party shall be in writing and shall be given or made as provided in and subject to the provisions of the Credit Agreement.

12. Severability. The provisions of this Agreement are severable, and if any one clause or provision hereof shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. No Waiver; Cumulative Remedies. The Secured Party shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder and no waiver shall be valid unless in writing, signed by the Secured Party and then only to the extent therein set forth. A waiver of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Secured Party would otherwise have had on any future occasion. No failure to exercise nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or future exercise thereof or the exercise of any other right, power or privilege. The rights and remedies hereunder provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights and remedies under the other Loan Documents or available at law or in equity.

14. No Oral Modification; Successors; Governing Law. None of the terms or provisions of this Security Agreement may be

waived, altered, modified or amended except by an instrument in writing, duly executed by the Secured Party. This Security Agreement and all obligations of the Borrower hereunder shall be binding on the respective successors and assigns of the Borrower and shall, together with the rights and remedies of the Secured Party hereunder, inure to the benefit of the Secured Party and its respective successors and assigns; provided, however, that the foregoing shall not be deemed to modify the prohibitions on assignments or transfers by Borrower contained herein or in the Credit Agreement and other Loan Documents. This Security Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of California and with respect to Collateral kept outside of California, if permitted by Secured Party, the laws of the jurisdiction where such Collateral is located. The Credit Agreement, the Note and other Loan Documents (except as otherwise specifically provided therein) shall be governed by Massachusetts state law as provided in the Credit Agreement.

15. Further Indemnification. The Borrower agrees to pay, and to save the Secured Party harmless from, any and all liabilities with respect to, or resulting from any delay in paying, or failure of Borrower to pay any wages or salaries or any excise, sales, payroll, unemployment or other taxes that may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Security Agreement. This covenant shall survive the termination of this Security Agreement.

16. Counterparts. This Security Agreement may be executed in any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

17. Limits on Secured Party's Duties. The Secured Party shall have no duty as to the collection or protection of the Collateral, or any portion thereof, beyond the safe custody of such of the Collateral as may come into the actual possession of the Secured Party, and the Secured Party shall have no duty as to the preservation of rights against prior parties or any other rights pertaining thereto.

The Senior Lender is willing to make an additional discretionary demand revolving loan of Senior Debt as defined hereafter in the Credit Agreement in an amount up to \$750,000.00 under the Credit Agreement, provided that, among other things, such Senior Debt is secured by all of the Collateral and has priority of payment to all Existing Debt.

The Existing Lenders and the Borrower seek to induce the Senior Lender to make the Senior Debt available to the Borrower.

AGREEMENT

In consideration of the premises and the agreements, provisions and covenants contained herein and in the Credit Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Amendments to Section 1 of the Pledge Agreement. Section 1 of the Pledge Agreement is hereby amended as necessary so that the term "Bank" and "Secured Party" as used therein shall be understood to mean Lender or Lenders or Senior Lender. The parties hereto acknowledge and agree that prior to this Second Amendment the Pledge Agreement was not drafted for more than one Lender and now shall be interpreted in the broadest manner to effectuate the intent of the parties for the Pledge Agreement to be interpreted to accommodate multiple Lenders.

Section 2. Amendments to Section 2 of the Pledge Agreement. Section 2 of the Pledge Agreement is hereby amended to add the following as the last sentence of Section 2:

"The Borrower and Transferor Lender agree that the Transferor Lender shall hold the security interest granted pursuant to the Loan Documents in trust for the benefit of itself and the other Lenders (including the Senior Lender) and with respect to the Collateral the Transferor Lender shall take action or refrain from action in accordance with 100% of the Commitment Percentage of the Lenders. Each Existing Lender agrees that it will take action or refrain from taking action only in accordance with the Loan Documents.

Section 3. Amendments to Section 8(f) of the Pledge Agreement. Sections 8(f)(i) through 8(f)(v) of the Pledge Agreement are hereby amended and restated in their entirety to read as follows:

"(i) First, to the payment of, or (as the case may be) the reimbursement of the Secured Party for or in respect of all reasonable out of pocket costs, expenses, disbursements and losses which shall have been incurred or sustained by the Secured Party in connection with the collection of such monies by the Secured Party, for the exercise, protection or enforcement by the Secured Party of all or any of the rights, remedies, powers and privileges of the Secured Party under this Agreement or any of the other Loan Documents or in respect of the Collateral or in support of any provision of adequate indemnity to the Secured Party against any taxes or liens which by law shall have, or may have, priority over the rights of the Secured Party to such monies;

(ii) Second, to the payment of the Senior Loans and all Obligations pertaining thereto, in such order or preference as the Senior Lender may determine; and provided further that the Secured Party may in its discretion make proper allowance to take into account any Senior Loans or any Obligations pertaining thereto not then due and payable;

(iii) Third, to all other Obligations proportionally to all Lenders and such funds shall be applied first to all such costs, fees and other expenses not otherwise reimbursed under (i) above, second to accrued but unpaid interest and third to the outstanding principal amount of Existing Loans; and provided further that the Secured Party may in its discretion make proper allowance to take into account any Obligations not then due and payable;

(iv) Fourth, upon payment and satisfaction in full or other provisions for payment in full satisfactory to the Secured Party of all of the Obligations, to the payment of any obligations required to be paid pursuant to 9-504(1)(c) of the UCC; and

(v) Fifth, the excess, if any, shall be returned to the Borrower or to such other Persons as are entitled thereto."

Section 4. Representations and Warranties. All of the representations and warranties contained in the Pledge Agreement are hereby confirmed and they are true, accurate and complete in all material respects on the date hereof.

Section 5. Ratification. The Pledge Agreement as amended by this Second Amendment shall otherwise remain unaltered, ratified, confirmed and in full force and effect.

Section 6. Further Assurances. Each party, for themselves and for their respective successors and assigns, hereby covenant to execute and deliver, in each case at the Borrower's

expense, such further instruments and to take such further action as a Secured Party may at any time or times or from time to time reasonably request in order to carry out the provisions and intent of this Amendment.

FIRST AMENDMENT TO PATENT AND TRADEMARK SECURITY AGREEMENT
(CHROMIUM GRAPHICS)

This First Amendment to Patent and Trademark Security Agreement (the or this "First Amendment") is entered into as of this 8 day of August, 1997 by and between Chromium Graphics f/k/a Signs and Glassworks, Incorporated, a California Corporation ("Borrower") and BankBoston, N.A., successor to the First National Bank of Boston ("Secured Party").

1. Background. Reference is made to a Patent and Trademark Security Agreement entered into as of February 3, 1995 by and between Borrower and Secured Party ("Original Security Agreement"). The Original Security Agreement was entered into in connection with a revolving line of credit, direct reducing loan ("Revolving Loan"). Amounts outstanding under the Revolving Loan were evidenced by the Revolving Credit Note (the "Original Note") dated February 3, 1995 and made by the Borrower in favor of the Secured Party.

The Revolving Loan was increased by documents dated October 31, 1995 and is further being increased on the date hereof.

Simultaneous with the execution of this First Amendment, the Borrower and Secured Party are amending the Revolving Loan (i) to change such arrangement from a revolving committed facility with a direct principal reduction to a demand discretionary line of credit and (ii) to increase the amount of the line. Under such demand discretionary line of credit, advances will be made only in the sole and absolute discretion of the Secured Party.

Capitalized terms used in this First Amendment and not defined herein, shall have the meanings given such term in the Original Security Agreement. This First Amendment, together with the Original Security Agreement and such other amendments, modifications, supplements or replacements as may be made from time to time, is referred to as the "Security Agreement".

1. Amendment to First Paragraph of Security Agreement. The first paragraph of the Security Agreement is hereby amended (i) to insert before the clause "Signs and Glassworks, Incorporated" the clause "Chromium Graphics, f/k/a" and (ii) the clause "The National Bank of Boston" is hereby deleted and the following inserted in lieu thereof: "BankBoston, N.A., successor to The First National Bank of Boston."

2. Amendment to Section 5. Section 5. is hereby deleted and the following Section 5. is inserted in lieu thereof:

"5. Right to Sue. Following DEMAND, Grantor shall not have the right to bring any opposition proceedings, cancellation proceedings or lawsuits in its own name to enforce or protect any Patent/Trademark Collateral."

3. Amendment to Section 6. Section 8. is hereby amended to delete the clause "If an Event of Default shall have occurred and be continuing" and to insert the following in lieu thereof: "Following DEMAND".

4. Amendments to Schedule 1. Schedule 1 is hereby amended to add the following U.S Patents to the list of Registered Patents included in Schedule 1:

"5,407,711	Display with Enhanced Highlights	4/18/95
5,635,283	Trading Card with Iridescent Substrate	6/3/97"

5. Representations and Warranties. All of the representations and warranties contained in the Original Security Agreement are hereby confirmed and they are true, accurate and complete in all material respects on the date hereof.

6. Ratification. The Original Security Agreement as amended by this First Amendment shall otherwise remain unaltered, ratified, confirmed and in full force and effect.

PATENT AND TRADEMARK SECURITY AGREEMENT

THIS PATENT AND TRADEMARK SECURITY AGREEMENT ("this Agreement") entered into as of February 3, 1995 by and among SIGNS AND GLASSWORKS, INCORPORATED, a California corporation, with a business address of 2425 La Mirada Drive, Vista, California 92083 (together with its successors and assigns, the "Grantor"), and THE FIRST NATIONAL BANK OF BOSTON, a national banking association, with a business address of 100 Federal Street, Boston, Massachusetts 02110 (together with its successors and assigns "Grantee").

RECITALS

A. Grantor owns the patents listed on Schedule 1 annexed hereto and the trademark and trademark registrations listed on Schedule 2 annexed hereto.

B. Grantor and Grantee are parties to a Revolving Credit Agreement and a Pledge and Security Agreement - All Assets, both of even date herewith (such agreements, as each may be amended, supplemented or otherwise modified and in effect from time to time in accordance with their terms, being collectively referred to herein as the "Credit Agreement"), providing for extensions of credit to be made to Grantor by the Grantee under and as defined in the Credit Agreement. Capitalized terms used herein without definition have the meanings ascribed to them in the Credit Agreement (that is, in either the Revolving Credit Agreement or the Pledge and Security Agreement - All Assets).

C. Pursuant to the terms of the Credit Agreement, Grantor has granted to Grantee a security interest in substantially all of the assets of Grantor, including, without limitation, all right, title and interest of Grantor in, to and under all now owned and hereafter acquired patterns, patents application, patent licenses, trademarks, trademark registrations, trademark applications and trademark licenses, and all products and proceeds thereof, to secure Grantor's performance and discharge of the Obligations. The Credit Agreement requires, as a condition to the Grantee's obligations to extend credit thereunder, the execution and delivery of this Agreement in order to further secure Grantor's performance and discharge of the Obligations.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. Grant of Security Interest. In order to secure the due and punctual payment and performance of each and all of the Obligations, Grantor does hereby grant, transfer, convey and assign to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the follow-

ing (all of the following items or types of property being herein collectively referred to as the "Patent/Trademark Collateral"), whether presently existing or hereafter created or acquired:

a. each patent, including, without limitation, each patent referred to in Schedule 1 annexed hereto (the "Patents"), together with any reissues, continuation or extensions thereof;

b. all products and proceeds of the foregoing, including, without limitation, all license royalties and any claim by Grantor against third parties for past, present or future infringement of any patent, including, without limitation, any patent referred to in Schedule 1 annexed hereto;

c. each trademark (which term shall include service marks) and trademark registration, including, without limitation, each trademark and trademark registration referred to in Schedule 2 annexed hereto (the "Trademarks"), together with any renewals thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each trademark and trademark registration;

d. all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any trademark or trademark registration, including, without limitation, the trademarks and trademark registration referred to in Schedule 2 annexed hereto, or (b) injury to the goodwill associated with any trademark or trademark registration; and

e. all Accounts, Inventory, Equipment, Intellectual Property, Proceeds, general intangibles and other Collateral related to the foregoing.

2. Representations, Warranties and Agreements. Grantor represents and warrants that:

a. the Patents and Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

b. no written claim (and, to the best of Grantor's knowledge, no oral claim) has been made that the use of any of the Patents or Trademarks does or may violate the rights of any third person;

c. Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents and each of the Trademarks, free and clear of any pledges, assignments, licenses, registered user agreements, covenants by assignor not to sue third person and any other Liens or Encumbrances;

d. Grantor has the unqualified right to enter into this Agreement and perform its terms; and

e. all of Grantor's patents are listed on Schedule 1 annexed hereto, and all of Grantor's registered trademarks are listed on Schedule 2 annexed hereto.

3. Future Rights. So long as any Obligations remain outstanding or the Grantee has any obligation to make any Loans, if at any time Grantor shall (i) obtain rights to any new patentable inventions, trademarks, trademark registrations or application, or (ii) become entitled to the benefit of any patent or trademark application, trademark, trademark registration, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any patent or any improvement on any patent, then the provisions of this Agreement shall automatically apply thereto and Grantor shall give to the Grantee prompt written notice thereof. Grantor hereby authorizes the Grantee, with prompt notice thereof to the Grantor, to modify this Agreement by amending Schedule 1 and/or 2, as applicable, to include any future patents, patent applications, trademarks, trademark applications, or trademark registration, which constitute Patent/Trademark Collateral under this Agreement.

4. No Inconsistent Agreement. So long as any Obligations remain outstanding or the Grantee has any obligation to make any Loans, Grantor shall not enter into any agreement (for example, a license agreement) that is inconsistent with Grantor's obligations under this Agreement; provided, however, that Grantor may grant licenses of the Patents and Trademarks and of any future Patent/Trademark Collateral for limited purposes in the course of Grantor's normal and ordinary business activities which do not, taken together with the value of the consideration received therefor, materially impair the value of the Patent/Trademark Collateral.

5. Right to Sue. Unless and until an Event of Default shall have occurred and be continuing, Grantor shall have the right to bring any opposition proceedings, cancellation proceedings or lawsuits in its own name to enforce or protect any Patent/Trademark Collateral.

6. Appointment. If an Event of Default shall have occurred and be continuing, Grantor hereby authorizes and empowers the Grantee to make, constitute and appoint any officer or agent of the Grantee as the Grantee may select, in its discretion, as Grantor's true and lawful attorney-in-fact, with the power to endorse Grantor's name on all applications, assignments, documents, papers and instrument necessary for the Grantee to use the Patent/Trademark Collateral, or necessary for the Grantee to assign, pledge, convey, or otherwise transfer title in or dispose of all or part of the Patent/Trademark Collateral to anyone else. Such power of attorney shall be coupled with an interest and irrevocable for the life of this Agreement.

7. Cumulative Rights and Remedies. The security interest under this Agreement is granted in conjunction with the security interest granted to Grantee pursuant to the Credit Agreement and

is subject to the provisions thereof. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Patent/Trademark Collateral are and shall be, to the full extent permitted by law, as set forth in the Credit Agreement and the other Loan Documents, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. All of the Grantee's rights and remedies with respect to the Patent/Trademark Collateral, whether established hereunder or by the Credit Agreement or by any other Loan Documents or by law or in equity shall be cumulative and may be exercised singularly or concurrently.

8. Express Incorporation of Miscellaneous Provisions From Pledge and Security Agreement - All Assets. In addition to the foregoing general incorporation by reference of all applicable provisions of the Credit Agreement and the other Loan Documents, Grantor hereby expressly incorporates each and all of the provisions of Sections 11-18 of the Pledge and Security Agreement - All Assets, but made applicable to this Agreement by substituting the word "Grantor" for "Borrower", "Grantee" for "Secured Party", and "this Agreement" for "this Security Agreement."

IN WITNESS WHEREOF, Grantor has caused this Patent and Trademark Security Agreement to be duly executed by its duly authorized signatory as a sealed instrument as of the date and year first set forth above.
