ASSIGNMENT

WHEREAS, I, John I. Lund, hereby state that my residence is as set forth below and that I am the sole inventor of certain new and useful improvements in

BARRICADES AND METHODS OF MAKING SAME

for which I have executed an application for Letters Patent of the United States of America, of even date herewith; and

WHEREAS, CORTINA TOOL & MOLDING CO., a corporation of the State of ILLINOIS and having a place of business at Franklin Park, Illinois, hereinafter referred to as "ASSIGNEE," is desirous of acquiring the entire right, title, and interest in and to said invention, improvements, application and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, in the United States of America and in any and all countries foreign thereto:

NOW, THEREFORE, to all whom it may concern, be it known that, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said ASSIGNEE, its successors and assigns, the entire right, title and interest in, to and under said invention, and the said application, and all divisional, renewal, substitutional, and continuing applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States of America, and all extensions, renewals, and reissues thereof, and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument. And I hereby covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith.

And I hereby agree to communicate to the said ASSIGNEE or its representatives or assigns any facts known to me respecting said invention, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and in addition to execute any and all documents that may be required in order that the said ASSIGNEE may make application for patent or otherwise obtain rights on said invention in its own name in foreign countries and/or under international treaties.
